

June 14-17, 2016 

This exciting camp for our teen 4-H members will take us to Jekyll Island, Georgia! Join us as we learn about beach ecology and Georgia coastal history with fellow 4-H members from Alleghany, Buncombe, Gaston, and McDowell Counties. Activities will include a beach ecology and saltwater shark/ ray fishing program taught by Georgia 4-H staff at the Tidelands Research Center, tour of the Georgia Sea Turtle Center followed by an evening turtle walk with a center biologist, visit to the Jekyll Island museum, Passport to the Century trolley tour, fun at Summer Waves water park, and beach time! We are also planning some great leadership and team building workshops and much, much more!
