

# 4-H HORTICULTURE WEEKEND!

SATURDAY & SUNDAY, APRIL 25-26TH, 2009

at NC State University & the JC Raulston Arboretum

Youth (and their enthusiastic adult leaders) are invited to participate in a weekend event featuring exciting explorations of horticulture. Attendees will be able to delve into workshops, discover area gardens, play horticulture games, and listen to famous horticultural heroes!

The weekend has a special emphasis on the state horticulture contest with workshops focused on plant identification from the arboretum's unique collection, and other topics drawn from the NJHA study manual like plant propagation and turf topiaries. Youth will be able to take a practice contest to prepare for the state event in July.

Everyone, however, with an interest in horticulture is invited and encouraged to attend! Please peruse: [ces.ncsu.edu/4hplantandsoils/hortweekend](http://ces.ncsu.edu/4hplantandsoils/hortweekend) for a complete list of workshops and speakers.
