Dear NCAE4-HA Members,

As the University and indeed our entire 4-H organization tries to keep close tabs on the current fiscal situation, our upcoming State NCAE4-HA meeting has been approved and we are all looking forward to the event.

We are however, sorry to report that we will not be able to utilize any state appropriated funding for this meeting. We can however, utilize local funds or county funds **IF THEY ARE AVAILABLE IN YOUR COUNTY!**

Please check with your County Extension Director to inquire about the use of these funds.

It is a busy time for many agents and one of the best ways to approach the summer work is to look forward to the STATE MEETING being offered in August.

I hope you will make every attempt to attend this awesome meeting planned so well by the Western District in cooperation with the Annual Conference Committee.

It is during tough times that we exhibit our true strength of character! Persevere with me and we shall come through it together!

Sincerely,

Barbara Dunn Swanson
NCAE4-HA President
