Scholarship applications now available

Each year the N.C. Cooperative Extension Secretaries Association - South Central District Scholarship is awarded to a student who is actively engaged in or has definite plans to pursue a career as an office professional. The applicant must be a resident of one of the 14 South Central District counties – Anson, Bladen, Chatam, Columbus, Cumberland, Harnett, Hoke, Lee, Montgomery, Moore, Richmond, Robeson, Scotland, Stanly. This year a \$200 scholarship will be presented to a student in (County Name) County.

Scholarship information and application forms are available at area high school guidance offices, Community College advisor offices, and at the following web address: <http://www.ces.ncsu.edu/assn/nccesa-sc/>. Counselors and advisors have been asked to share scholarship information with appropriate course instructors and with students expressing an interest in a career as an office professional. This area encompasses many different areas of study such as office systems technology, web design and development, etc.

We actively solicit applications from students with outstanding scholastic ability and who are truly interested in pursuing their education as an office professional. We are, of course, interested in students who could benefit from financial assistance, however, this will not be the entire determining factor.

Anyone interested in applying for this scholarship should contact his or her guidance counselor or college advisor to request an application. Scholarship information and application forms also can be obtained at the (County Name) County Center office of the North Carolina Cooperative Extension Service, located at (County Address). Applications must be post marked by (Date).

If you have any questions about this scholarship offering, contact (contact name) by calling (contact phone number).
