“Invest In Your Future” Fundraising Campaign

The NCEAFCS Annual Conference Endowment Fund Committee would like to invite you to help us increase the principal in our endowment account to \$40,000. We need to raise \$14,000 to insure that we can meet our obligations to each district hosting the state meeting annually. We would like to encourage 100 active and/or retired members to contribute \$140.00 by December 31, 2007 in order to meet this goal.

If 100 members could commit to a 14-month pledge of \$10 per month, the goal will be accomplished in 14 months or before the existing funds have been depleted. We have provided you with a pledge form so you can make a donation, bank draft or payroll deduction. This is a simple way to meet our goal.

Each year we will give a report of individuals who have contributed to this fund. Please join the group listed on the front of this form. If you have questions, please feel free to contact one of the following NCEAFCS Annual Conference Endowment Fund Committee members:
