

North Carolina Extension Association of Family & Consumer Sciences

**The Professional Association for North Carolina Cooperative Extension Family &
Consumer Sciences Educators**

2007 West District Annual Report

The fall meeting was held at the A-B Tech-Enka Campus. The focus of the meeting was to begin preparations for the 2008 NCEAFCS State Conference. The following committees were formed:

- Registration
- Speakers/Evaluations
- Workshops/Educational Tours
- Programs
- Hospitality
- Decorations
- Resource/Finance
- Retired Agents
- Arrangements

The arrangement committee decided on location criteria and agreed to gather data as quickly as possible and decide on a location by January. The Spring meeting was held at the site chosen for the 2008 State Meeting. The Fall meeting also included a tour of Blue Ridge Food Ventures, a food based business incubator.

The spring meeting was held at Lake Junaluska, the site selected for the 2008 NCEAFCS state meeting. Reagan Ammons gave a presentation on the various ways to contribute to the Extension Foundation, and the purpose behind the foundation.

The majority of the meeting was a work session for the committees. A theme for the conference was selected and will be unveiled at the 2007 State meeting.

Respectfully Submitted,
Tres Magner, President
West District
