

2009 North Central District Report July, 2009

The **Fall 2008 meeting** was held in Pittsboro on October 17, hosted by Phyllis Smith, Chatham County. The decision was made to allot \$300 to the NC District voting delegates to NEAFCS annual conference if assistance is needed. The focus of the meeting was finances and committee work to prepare for the state meeting. Committees were solidified and each committee met for further collaboration on their tasks.

A slate of officers was presented under the assumption that NCEAFCS would redistrict in 2009. This slate was later modified to reflect the “old” districts resulting in the following slate. Mary Helen Jones installed the officers.

2008-09 Slate of Officers

North Central District Extension Association of Family and Consumer Sciences

2008-09 NCEAFCS from North Central District

President-elect & Bylaws- Debbie Stroud
Nominating- Mary Helen Jones
State Meeting- Joan Reid
State Life Member- Frances Turner

A series of Elluminate and conference calls were made throughout the fall and winter to plan for the NCEAFCS state meeting at the Brookstown Inn in Winston-Salem. A number of factors led to the decision by the planning committee to cancel use of the Brookstown Inn and the meeting.

The North Central District of NCEAFCS met on March 6 at the Alamance County Extension Center, hosted by Evelyn Deloatch. Mary Helen Jones presented a slate of officers for 2009-10. Evelyn Deloatch presented information regarding the upcoming ECA district day. Mary Helen announced that a secretary from the state association would be needed to Federation. Debbie Stroud reported on the JCEP meeting and discussed specifics from a workshop on *Ethics in Today's Extension World* presented by Dr. Albert Pierce, National Defense University. Mary Helen Jones presented a program based on her and Wanda Hardison's research project for their

master's degrees. She took the group through a few activities for the *When Parents Fight! Stop, Think, Resolve* program.

The fall meeting will be in Davidson County on Friday, October 16.
