The Extension Master Gardenersm program is an educational program designed to enhance public education in consumer horticulture.

Utilizing the Extension Master Gardenersm program allows the local Extension to extend educational programming to an ever increasing gardening audience.

Thank you for your interest in a program presented by the N.C. Cooperative Extension and the Cumberland County Master Gardenersm Volunteers.

Program requests must be submitted 60 days prior to the program date. Only one request per form please. Complete this form and return to the Extension office as soon as possible. The program requests are reviewed by the Master Gardenersm Volunteers on the second Friday of each month.
