

Family & Consumer Sciences

FOUNDATION NC State
University

Mission

The North Carolina Family and Consumer Sciences Foundation is committed to acquiring and managing resources that support family and consumer programs and the educators who deliver them.

Vision

To become the leading Foundation for funding Extension education to help families meet life's challenges.

How will the NC Family and Consumer Sciences Foundation benefit Family and Consumer Sciences Programs?

- Cultivate and grow private gifts to support Family and Consumer Sciences Educational programs (Fundraising Events, Planned Giving Campaigns, Annual Giving, Named Endowments)
- Provide assistance to staff and volunteer groups to help manage current resources (Restricted Fund Accounts and County Enhancement Fund Accounts)
- Provide funding for special initiatives, seed money, creative programs, and rewards and recognition for staff and volunteers on County, District, and State levels
- Provide assistance to County, District, and State personnel in conducting resource development efforts to support their individual county or unit
- Provide a venue for accepting unrestricted funds (Family and Consumer Sciences' Program Support Fund, etc) to which individuals can contribute when wishing to honor or memorialize a special person, a special occasion, etc
- Provide an avenue for individuals in Family and Consumer Sciences to leave a legacy by funding a program in perpetuity

How can YOU get involved in helping to build the NC Family and Consumer Sciences Foundation?

- Nominate yourself or a co-worker to serve on the Board of Directors
- Nominate an outstanding advisory board member, civic leader, business representative, etc. to serve on the Board of Directors
- Help promote and create awareness -- have your “elevator conversation” ready
- Invite the Foundation staff and steering committee to do a presentation on the Foundation in your county
- Encourage participation amongst co-workers and volunteer groups
- Be positive and supportive
- Correct misinformation
- Read and study Foundation documents and offer suggestions**
- Help cultivate and refer potential donors
- Help acknowledge contributions with personal notes and calls
- Contribute \$\$\$!!!
