

Dr. Carolyn L. Bird, Ph.D., AFC, RFG

Assistant Professor and Family Resource Management Specialist

Dr. Bird has personal financial management as a focus. She is the state leader for the High School Financial Planning (HSFPP) curriculum. She writes publications to assist families with decision-making on personal finance-related topics including consumer credit and estate planning. She and her Golden Retriever “George” enjoy taking walks.

Dr. Claudette Smith
Program Leader/Family Resource Management Specialist
