

NURSERY LIST OF SMALL FRUIT CULTIVARS FOR COMMERCIAL USE IN NORTH CAROLINA

Gina E. Fernandez, Extension Horticultural Specialist

As a service to our readers, we have cross referenced commercial small fruit cultivars with the some of the nurseries where they may be purchased. If any of the nurseries included in this list sells a particular cultivar, the corresponding letter code will appear after the name (e. g. Chandler ACF, Bri, Car, etc.). Some cultivars have not been fully tested by NCSU and are included here as worthy of trial. Please consult your local agricultural agent for specific cultivar recommendations best adapted to your area.
