

Forestry Workplace Hazards Update. November 14, 2007 - 9:00 a.m. to 12:00 Noon

Program

Despite the many technological improvements to the average person's workplace, there are always going to be some jobs that are risky business. Forestry and other natural resources vocations will always be good honest work that can come at a price. Learn how to avoid the occupational hazards of doing the woods work you enjoy.

Topics

- Is it safe to go into the woods?
- Which hazards need the most attention?
- Harvesting operations safety programs
- We are not alone and the others will bite.
- Newest threat to working in the woods

Speakers

Tony Eggleston, PhD, Education and Training Specialist, Occupational Safety Hazards Division, N.C. Department of Labor, Raleigh, NC.

Christopher Huff, Forestry Mutual, Raleigh, NC will speak on harvesting safety issues, hiring the right, safety-conscious logging crew, and regional logger safety programs.

Charles Apperson, Ph.D., NCSU Entomology Extension on insect hazards and their blood born pathogens, especially Lymes Disease.

Rick Hetzel is Assistant Special Agent In charge of the Clandestine Laboratory Response Team with the N.C. State Bureau of Investigation and will bring us up to date on clandestine drug operations in the region.

Delivery

This Forestry Issues Forum will be presented in teleconference format via the NC Research and Education Network (NCREN) a two-way, interactive medium allowing participants to view speakers and their presentations as well as ask questions.

Registration and Cancellation Policy

Preregistration is required. Make checks payable to "NCSU" or pay by MasterCard or Visa. Upon receipt of registration and \$35 payment, participants will receive confirmation and teleconference location map. Cancellations received before the registration deadline qualify for a full refund less a \$10 service charge. Refunds will not be given for cancellations after September 5 (substitute attendee recommended). **South Carolina** participants contact, Brian Clark, Horry-Georgetown Tech. College 4003 S. Fraser St., Georgetown, SC 29440. Phone: (843) 520-1418, Fax: (843) 546-1437, email: Brian.Clark@hgtc.edu.

Special Notes

The 3-hour forum will begin promptly at 9:00 AM and end promptly at 12:00 PM. Please allow extra time for obtaining necessary parking permit, locating visitor parking and the video teleconference site on the campus of your choice. All video teleconference sites are nonsmoking and many do not allow food or drink. We will provide reasonable accommodation for persons with special needs when requested in advance of the workshop.
