

# Changing Forestland Ownership in a Growing State

April 11, 2007 from 9:00 AM to 12:00 PM

## Delivery

The Forestry Issues Forum events are presented in teleconference format via the NC Research and Education Network (NCREN), a two-way, interactive medium which allows attendees to interact with the experts and other participants from across the state.

## Registration and Cancellation Policy

Advanced registration is required, seating is limited. Make checks payable to "NCSU" or pay by MasterCard or Visa. Upon receipt of registration and payment, participants will be mailed a confirmation letter and location map. Cancellations received before the registration deadline qualify for a full refund less a \$10 service charge. Refunds will not be given for cancellations after the registration deadline (substitute attendee recommended). We reserve the right to cancel any forum.

**South Carolina** participants contact, Brian Clark, Horry-Georgetown Tech. College 4003 S. Fraser St., Georgetown, SC 29440 Phone: (843) 520-1418, Fax: (843) 546-1437, email: Brian.Clark@hgtc.edu.

## Special Notes

The 3-hour forum will begin promptly at 9:00 AM and end promptly at 12:00 PM. Please allow extra time for visitor parking and locating the video teleconference building and room. All teleconference sites are nonsmoking. We will provide reasonable accommodation for persons with special needs when requested in advance.

## Program

North Carolina is experiencing rapid population growth and subsequent conversion of forests to other land uses. The growth of the wildland urban interface (WUI) areas into suburban development brings new regulations and approaches to forest management. Forest land managers are being called upon to interpret land use regulations and their impact on forest management. This program will give attendees the context for these changes and guidelines for managing in the future.

## Topics

- Impacts of Urbanization on Forestry in NC
- Extraterritorial Jurisdictions and Local Regs
- "WUI" versus Traditional Forest Landowner
- Experiences and Solutions to Problems
