

Hardwood Planting, Establishment, and Potential. September 12, 2007 - 9:00 a.m. to 12:00 Noon

Program

Successful hardwood stand management begins with understanding important tree planting considerations and species-site relationships. A variety of federal cost share programs offer funding for planting hardwoods. This program will cover all aspects of successful hardwood establishment.

Topics

- Why Grow Hardwoods?
- Economics of Hardwood vs. Pine
- Matching Species to Site
- Hardwood Seedling Quality and Handling
- Proper Planting Methods and Equipment
- Post Planting Activities
- Available Cost Share Programs

Speakers

Gerald Hansen, Ph.D. is a Forestry Manager at Resource Management Service. He has 23 years experience in private industry as a forest researcher, silviculturist and project leader with emphasis on hardwood stands.

Bruce White is a consulting forester with Gelbert, Fullbright, Edwards & Randolph. He spent 11 years as land management forester for Willamette Industries/Weyerhaeuser Co.

Greg Pate is NC Division of Forest Resources Prog. Head for Nursery and Tree Improvement. He has experience with reforestation and tree planting as a consultant and assistant district forester.

Bill Powell is a 25-year veteran of the NC Division of Forest Resources. He is currently a Staff Forester specializing in federal cost share programs and technician training.

Delivery

This Forestry Issues Forum will be presented in teleconference format via the NC Research and Education Network (NCREN) a two-way, interactive medium allowing participants to view speakers and their presentations as well as ask questions.

Registration and Cancellation Policy

Preregistration is required. Make checks payable to "NCSU" or pay by MasterCard or Visa. Upon receipt of registration and \$35 payment, participants will receive confirmation and teleconference location map. Cancellations received before the registration deadline qualify for a full refund less a \$10 service charge. Refunds will not be given for cancellations after September 5 (substitute attendee recommended). South Carolina participants contact, Brian Clark, Horry-Georgetown Tech. College 4003 S. Fraser St., Georgetown, SC 29440. Phone: (843) 520-1418, Fax: (843) 546-1437, email: Brian.Clark@hgtc.edu.

Special Notes

The 3-hour forum will begin promptly at 9:00 AM and end promptly at 12:00 PM. Please allow extra time for obtaining necessary parking permit, locating visitor parking and the video teleconference site on the campus of your choice. All video teleconference sites are nonsmoking and many do not allow food or drink. We will provide reasonable accommodation for persons with special needs when requested in advance of the workshop. We reserve the right to cancel any program.
