## Protecting and Enhancing the Productivity of Forest Soils

---

### About the Workshop

Foresters and natural resource managers are dependent on forest soils for growing and managing forests – and, to a large extent, forest soils are dependent on us as resource professionals and managers. Our success in growing forests and producing forest products is dependent on our ability to understand soil properties and to then match species with soils and to prescribe activities that not only promote forest growth but also enhance and protect soil productivity. At the same time, we must understand soil properties to avoid prescribing activities that will degrade our soils and reduce productivity.

### Who Should Attend?

The course will be valuable to:

- Natural Resources Agency Personnel Who Manage Forest Land
- Natural Resource Agency Personnel Who Advise Private Landowners
- Consulting Foresters
- Forest Industry Land Managers
- Procurement Foresters

### Accreditation

This course will offer 4.5 Category 1 Continuing Forestry Education (CFE) credits authorized by the Society of American Foresters. *Note: FEOP has no authority to determine how many CFEs are assigned to our programs.*

# Protecting and Enhancing the Productivity of Forest Soils

**Registration Form:** Productivity of Forest Soils  
**Registration Deadline** is February 16th, 2004

## Locations

Monday's workshop (February 23rd) will be held at the Lenoir County Extension Center in Kinston, NC. On Thursday, February 26th the workshop will be held at the Randolph County Extension Center in Asheboro, NC. Friday's workshop (February 27th) will be held at the Burke County Extension Center in Morganton, NC. Directions to the site will be sent with your registration confirmation letter approximately two weeks before the workshop.

## Registration and Fees

Preregistration is required. The registration fee is \$60 and includes workshop handouts, lunch, refreshment breaks and field trip transportation. **Registration deadline is February 16th.**

**NOTE:** *You will receive your registration confirmation by E-mail or fax - please be sure to enter this information on your registration form.*

## Cancellation Policy

Cancellations made before the registration deadline of February 16th will receive a full refund less a \$10 service charge. No refunds can be given after February 16th.

*Please be prepared with proper dress for the weather - afternoon field trips will take place rain or shine.*

## Schedule Outline

- Monday, February 23, 2004 - Lenoir County
- Thursday, February 26, 2004 - Randolph County
- Friday, February 27, 2004 - Burke County

8:30 a.m. Registration

9:00 a.m. Morning Session (Indoor)

- Basics of Soils and Soil Properties
- Impacts of Forestry Operations
- Using Published Soil Surveys to:
  - Predict Soil Limitations
  - Plan Soil Friendly Operations
- Mitigating Site Damage

12:30 p.m. Lunch (provided)

1:15 p.m. Afternoon Session (Field)

- Evaluation of Soils
- Practical Demonstration of the Use of Soil Surveys
- Best Management Practices
- Discussion of Site Amelioration/Mitigation

4:30 p.m. Adjourn

## Upcoming FEOP Workshop

- **Permanent Native Vegetation for Enhanced Habitat and Soil and Water Protection**

*Coming in March 2004. Check our website for details: [www.ncsu.edu/feop](http://www.ncsu.edu/feop).*

## Date and Location:

- \_\_\_ Feb. 23 - Lenoir County
- \_\_\_ Feb. 26 - Randolph County
- \_\_\_ Feb. 27 - Burke County
