

Wetlands, Soil Erosion, and Roads. January 9, 2008 - 9:00 a.m. to 12:00 Noon

Program

Water quality responsibilities face professional foresters and natural resources managers every day. This teleconference will provide a timely update on the US Army Corps of Engineers' new guidance on wetland delineation. In the same theme we will have speakers address basic forest road design and erosion control measures.

Topics

- New wetland delineation guidance
- Refresher on classic forest road design
- Soil and erosion control measures
- Special techniques on steep slopes
- Bridge mats - acquisition and use
- New BMP Field Guide from NC DFR

Speakers

Jim Gregory, PhD, Professor of Forestry, Watershed and Wetlands Hydrology, Dept. of Forestry and Environmental Resources at North Carolina State University, Raleigh, NC.

Dr. Joseph P. Roise, Professor of Forestry and Operations Research, Dept. of Forestry and Environmental Resources at North Carolina State University.

Lloyd W. Swift, Jr., Research Forester Emeritus, USDA Forest Service, Coweeta Hydrologic Laboratory, Otto, NC.

Tom Gerow, NC Division of Forest Resources, Bridge Mat Loan & Protection Project, Raleigh, NC.

Approved for 3 hours in Category 1 CFE from Society of American Foresters (12/10/2007).

Delivery

This Forestry Issues Forum will be presented in teleconference format via the NC Research and Education Network (NCREN) a two-way, interactive medium allowing participants to view speakers and their presentations as well as ask questions.

Registration and Cancellation Policy

Preregistration is required. Make checks payable to "NCSU" or pay by MasterCard or Visa. Upon receipt of registration and \$35 payment, participants will receive confirmation and teleconference location map. Cancellations received before the registration deadline qualify for a full refund less a \$10 service charge. Refunds will not be given for cancellations after January 2 (substitute attendee recommended). **South Carolina** participants contact, Brian Clark, Horry-Georgetown Tech. College 4003 S. Fraser St., Georgetown, SC 29440. Phone: (843) 520-1418, Fax: (843) 546-1437, email: Brian.Clark@hgtc.edu.

Special Notes

The 3-hour forum will begin promptly at 9:00 AM and end promptly at 12:00 PM. Please allow extra time for obtaining necessary parking permit, locating visitor parking and the video teleconference site on the campus of your choice. All video teleconference sites are nonsmoking and many do not allow food or drink. We will provide reasonable accommodation for persons with special needs when requested in advance of the workshop. We reserve the right to cancel any program.
