

Vegetation Management in Right-of-Way and Forested Areas, March 11, 2009 - 9:00 a.m. to 12:00 Noon

Program

Foresters are often required to management acreages that include right-of-ways, easments, roadsides, utility line areas, and similar properties that usually require farely frequent prescriptions. Keeping unwanted invasives and woody vegetation under control is the primary focus of the program.

Topics

- ROW and Forestry application licensure
- Overview of vegetation controls
- Chemical vs. mechanical approaches
- Utility lines, roadsides and ditches
- Review of specific products from DuPont

Speakers

- Barry Dunn, Wake County Inspector, NC Department of Agriculture and Consumer Services, Pesticide Division.
- Rob Richardson, Assistant Professor and Extension Weed Specialist at NC State University.
- Ed Wheeler, Wake Electric Cooperartive, Wake Forest, NC.
- Deric Smith, NC Department of Transportation, Raleigh, NC.
- Neil Loyd, District Sales Manager with DuPont, Raleigh, NC.

Delivery

This Forestry Issues Forum will be presented in teleconference format via the NC Research and Education Network (NCREN) a two-way, interactive media allowing participants to view speakers/presentations, and ask questions.

Continuing Education

This program has been approved for 3 hours SAF Category1-CF, and 2 hours from the NCDA&CS in categories G, H, N, D, X.

Registration and Cancellation Policy

Preregistration is required. Make checks payable to "NCSU" or pay by MasterCard or Visa. Upon receipt of registration and \$35 payment, participants will receive confirmation and teleconference location map. Cancellations received before the registration deadline qualify for a full refund less a \$10 service charge. Refunds will not be given for cancellations after March 3 (substitute attendee recommended).

South Carolina participants contact:
Brian Clark, Horry-Georgetown Tech. College
4003 S. Fraser St., Georgetown, SC 29440.
Phone: (843) 520-1418, Fax: (843) 546-1437, email: Brian.Clark@hgtc.edu.

Special Notes

The 3-hour forum will begin promptly at 9:00 AM and end at 12:00 PM. Please allow extra time for obtaining necessary parking permit, locating visitor parking and the video teleconference site at the location of your choice. All video teleconference sites are nonsmoking and many do not allow food or drink. We will provide reasonable accommodation for persons with special needs when requested in advance of the workshop. We reserve the right to cancel any program.

Registration confirmations will be sent via email unless otherwise indicated on registration form.
