Why Habitat Management?

If you want to improve the hunting opportunities on your property, management of the habitat, improving the availability of food and cover is essential.

This course is for landowners that are interested in learning how to improve their land for whitetail deer and other wildlife.

Registration

Please send your registration in by August 12, 2009. Make the check payable to Western Carolina Quality Deer Management Program. Registration for the meeting is \$60 per attendee and includes lunch. Dinner is an additional \$15 per person if you would like to join us.

Accommodations

Special rates of \$54.99/single to \$72.99/double available. Contact Rhonda Moore at the Pinebridge Inn, phone: (800) 356-5059
