

WILLIAM DIAL MEMORIAL SCHOLARSHIP

1. This scholarship is provided by the Robeson County Livestock Association as a fitting memorial to William Dial, who passed away in July of 1996, and to show their respect to his friends and family.
2. The initial amount of this scholarship is \$1,000. This amount may vary from year to year depending upon availability of funds.
3. This scholarship will be made available to a student who is a resident of Robeson County. It is preferred that the student pursue an agricultural-related career in the animal science discipline (not necessarily in production), but there are no restrictions or limitations.
4. The student may use these funds to attend an institute of higher learning not restricted to the land-grant colleges or North Carolina. This institution may be a community college, a junior college, or a four-year college or university.
5. Applications for this scholarship will be available from the Robeson County Center of the North Carolina Cooperative Extension Service (671-3276). Selection of the recipient of this scholarship will be made by the original Scholarship Committee or others appointed by the president of the Association.
6. Applications for this scholarship will be made available each spring for consideration.
7. The deadline for applications will be June 15. To be considered, applications must be delivered to the Extension Service at the O. P. Owens Agriculture Center on Highway 72 West in Lumberton or may be mailed with a postmark no later than June 15.
8. The recipient and applicants of this scholarship will be notified by August 1.
9. Upon submission of proper evidence that the student has been accepted into the institution of their choice, an initial check of \$500 made payable to the recipient will be provided.
10. Upon satisfactory completion of the first semester and with proper evidence that the student is properly enrolled for the second semester, a final check of \$500 made payable to the recipient will be provided.
11. This scholarship is provided on an annual basis. This does not prevent a previous recipient from reapplying for this scholarship in succeeding years.
12. The recipient will be expected to be available and appear in media coverage related to the scholarship.
