The Cumberland County Extension Master Gardener Volunteers are sponsoring a “Mossology” presentation on Saturday, March 29, 2014.

David Spain, owner of Moss and Stone Gardens, will discuss everything imaginable about moss in the landscape. He is passionate about moss gardening, cultivation, and education. David has appeared on the Martha Stewart Show, Growing a Greener World television show, and featured in many magazines.

The subject of many questions for the Master Gardener Volunteers, this program is designed to teach not to erase, but to embrace moss in the shade or sun landscape. There is a place for moss in any garden setting.

The presentation will be held in the Cumberland County Cooperative Extension auditorium, located at 301 East Mountain Drive, Fayetteville, NC. Doors will open at 11:00 am. The program will be held from 11:30 am - 12:30 pm. Seating is limited to 100 attendees. Registration is requested by March 24, 2014. The presentation cost is \$5.00. To reserve a seat, mail a check, payable to CCEMGVA to:
