form

Dress appropriately for
outdoor pruning
demonstration

Learn to grow blueberries for market or home use in this workshop with NCSU Cooperative Extension Specialist, Dr. Bill Cline. Topics covered will include variety selection, soil preparation, pest and disease management, and plant growth and pruning. The first half of the workshop will take place in the classroom, then we will travel to a local blueberry farm for a hands on pruning demonstration, weather permitting.

For additional information or questions please contact Der Xiong
or Kellyn Montgomery at 828.465.8240
