

# Growing Garlic Workshop

**October 8th**

1:00pm-4:00pm

Agriculture Resource Center  
David Steward Meeting Room A  
1175 S. Brady Ave,  
Newton, NC 28658

Cost: \$10

Registration must be received to  
reserve seat for workshop

Do you love garlic? Want to know more about growing garlic whether for your own consumption or for market production? Garlic is a crop that is well suited for small areas or a large direct marketing operation. Garlic is great for any farm that wants to diversify and offer some niche crops. Join us for our special guest lecturer, Richard Boylan, Watauga Extension Agent, on how to grow and manage garlic. Participants will learn how to plant garlic, challenges of garlic, and get some hands on training on planting garlic.
