

# JOIN A 4-H CLUB

I pledge my: Head. Heart. Hands. Health.

Being involved in 4-H provides opportunities for youth to master skills, connect to their community, and mature in responsibility. Youth also develop lifelong friendships and long-term relationships with caring adults. Most clubs meet 1-2 times per month, year round. Clubs set their own meeting times and locations. To join 4-H, simply complete a 4-H Enrollment Form & Medical Release Form and give to a club leader.
