### Brunswick County Fair

**Saturday, September 10, 2016!**

4-H Youth Exhibits in Large & Small animals, sewing & crafts, photography, Posters, and Foods.

## 4-H Needs Adult Volunteers

4-H is always in need of adult volunteers! The caring support of adult volunteers and mentors inspires young people in 4-H to work collaboratively, take the lead on their own projects and set and achieve goals with confidence. We provide training and curriculum!! Volunteers can teach 4-H curriculum at area schools, run a club or lead special interest projects in areas of interest or expertise.

### Start a New 4-H Club!

Youth in Brunswick County are in need of partnerships with caring adults!! You can do this by starting a new club. Starting a new 4-H Club is easy! To start a club all you need is five members and at least one trained adult leader. All club leaders submit a Volunteer Application to the 4-H Program Assistant and receive a background check. Upon acceptance, the leaders are interviewed, attend volunteer training, and receive a position description. 4-H provides a unique environment where youth can try new things, make new friends, and discover new possibilities. Through 4-H, your child will explore leadership, teamwork, citizenship, and community service. The values and skills that youth gain as a 4-H'er will help them become their best selves today and in the future.

One of every 7 adult Americans is a former 4-H'er!

## What is 4-H?

4-H is a fun program where you get to "Learn by Doing." With more than 10,000 established 4-H programs across North Carolina, you can be a part of 4-H wherever you live. All youth between the ages of 5 and 18 are invited to join! In 4-H you can go to camp, start a business, ride in a bike rodeo, take part in an international exchange, raise an animal, create a blog, give a presentation, participate in a community service project, develop your resume, practice interview skills, volunteer, learn about healthy eating habits,

build lifelong friendships. Best of all, membership is FREE! 4-H costs nothing to join, and you are not required to purchase a uniform. Member expenses are minimal and determined by the club itself. 4-H is the largest youth organization in the United States with over 7 million participants. 4-H is best identified by its green four-leaf clover with an H on each leaf. The four H's on the emblem stand for Head, Heart, Hands, and Health. 4-H is the only youth organization based at land-grant universities and the first experience many youth have with higher education.
