

Beaufort County Extension Master Gardener 2016 Holiday Wreath Sale

Helping Gardeners Put Knowledge to Work

Cost \$25/ each

Proceeds from this sale will support the Extension Master Gardener Volunteer Education programs in Beaufort County.

Wreaths are 22-inch fragrant wreaths to you in time for the Holidays. The wreaths are made by hand from the boughs of Frazier Fir Christmas Trees grown on a family run farm in Ashe County, NC. To ensure freshness, these boughs are pruned from the trees by hand while they are standing in the field, trimmed and then attached to a wire ring with clamps. The handmade wreaths are then sprayed with a product that seals the needles and evens the natural color variation between trees.

- **Reserve your wreath today for delivery in time for the holidays as we are taking prepaid, preorders only.**
- **Preorder Cutoff Date for ordering – November 16**
- **Pick up Dates – November 23, between 10:00 – 4:00**
- **Pick up Location – Beaufort County Cooperative Extension Center, 155 Airport Road, Washington, NC**
- **Any questions – Call 252-946-0111**
