

# Enter the Commit to “Dining In” Photo Contest December 3, 2017

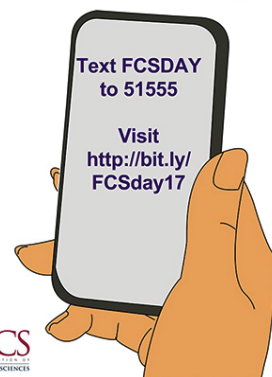

## The 4th Annual

***Family & Consumer Sciences (FCS) Day, “Dining In” for Healthy Families,***  
**campaign is just around the corner - Sunday, Dec. 3rd!**

As a member of an organization in the Family & Consumer Science profession,  
which leads advocacy efforts for the field, your involvement is needed!

FCS Day is an opportunity to promote family and consumer sciences programs, and resources that support family mealtime. Families are asked to commit to making and eating a healthy meal together on December 3rd - the birthday of AAFCS founder, Ellen Swallow Richards, first woman graduate of MIT. For purposes of the campaign, AAFCS is defining family very loosely--relatives, neighbors, co-workers, community members, or fellow members of an organization!
