Nourishing Community: How Community Gardens and Urban Ag Support a Healthy Wake County

Join Advocates for Health in Action (AHA) to explore how urban agriculture, community gardens, and edible gardens in schools and child care settings grow a healthier Wake County. Learn, network and commit to how you will contribute to healthier communities!

8:15 am-1:30 pm • Marbles Kids Museum

- Keynote: Inspired to Serve Community – Making a Difference
- Workshops
- Networking
- Educational Booths
- Sun Sprouts Garden Fun
