

2019 4-H Animal Project Born & Raised Contract

Eastern Carolina 4-H Livestock Show & Sale

Description:

This paperwork is to serve agents with the knowledge of their 4-H'ers and animal breeders from each county. It is a contract that participants in their respective counties of Edgecombe, Halifax, or Nash complete with the breeders of their animals in the same respective counties. The contract is used to assist with county awards as applicable.

For example: A 4-H'er that participates in the Nash County 4-H program that has an animal that was born and raised by a breeder in the same county (Nash Co.) must have a contract signed and submitted to their 4-H Agent *before* the deadline listed below. *Note:* this does not mean that you will receive an award by completing this contract, but it will be used as a tool for agents, where applicable.

Return completed contract to your 4-H Agent prior to or no later than November 27th for Steers and January 28th for Lambs, Goats, and Hogs.

Failure to return the contract to your 4-H Agent before the deadline could result in being ineligible for the Born & Raised Award.
