

Stokes County 4-H Summer Fun Event Brochure

Registration is due by May 24th

This program is made possible by the Stokes County 4-H, North Carolina Cooperative Extension and United Fund of Stokes County. Activities are open to any youth in Stokes County. Please adhere to workshop descriptions; workshop limits, fees, dates, times, and age limits (if you are interested in your child participating in a program that they do not fit age limits, please contact the 4-H office for more information). All workshops are offered on a first come first serve basis, spaces will be held for one week without registration & payment then released to public. All fees are non-refundable.

In addition, all activities are subject to change or be cancelled.

To sign up, complete the registration form (<https://forms.gle/yFMS55ABzTZUEe1NA>) and the 4-H enrollment process through NC 4HOnline (nc.4honline.com). Once this is completed, send payment to the Stokes County 4-H office as soon as possible to reserve a spot. Register early to secure your spot! Each program will have a waiting list if they fill up. Remember, first come first served! Time stamps will be used from the Google Form to determine who registered for an event first.

Please make checks payable to: **STOKES COUNTY 4-H**

Stokes County 4-H
700 N Main St
PO Box 460
Danbury, NC 27016

Please contact the 4-H office with any questions at 336-591-8179 or email Taylor Furr at tfurr@ncsu.edu.

If you are interested in volunteering for any event, please contact the 4-H office to let us know; help would be greatly appreciated!

Please note:

- *Your child **MUST** have attended and completed Kindergarten to attend our summer programs.
- *4-H scholarship dollars can be used for these events, but make sure to note that on the registration form. If a 4-Her signs up for a workshop and does not attend, the fees will still be deducted from their scholarship money.
- *If your child does not follow the 4-H code of conduct and is asked to leave, fees will not be refunded.
- ***Please adhere to the time frame of the programs. Drop off and pick up according to the time states.
- *Any events that are outside please bring close toed shoes, sunscreen, bug replant, and any sun protection items you will need!! *North Carolina state law requires that all children who are under the age of 8 and under 80 pounds ride in a properly used car seat or booster seat, so if you sign your child up for an event that involves transportation, please bring the proper seat for your child.*

Events Include:

Boater Safety

Date: June 9th

Time: 9a-4p

Ages: All ages

Cost: FREE

Place: Extension Office

MUST also register at <https://register-ed.com/events/view/134341>

Do you want to know more about how to stay safe when using a boat? Come learn about boat safety from a Stokes County Wildlife Officer!

Stokes County Tour

Date: June 10th

Time: 9AM-4PM

Ages: 13-18

Cost: FREE

Class size 10

Place: Meet at 4-H office, travel to off-site locations

Let's take a tour around Stokes County! Come ready to learn from Pine Hall Brick and Armstrong Artisan Farm. We will tour both facilities and learn about the day-to-day job opportunities. **Please bring your own lunch! We will stop at Fowler Park to have lunch in a picnic area.**

INSTRUCTOR: Taylor Furr, 4-H Agent

The Fascinating World of Bees

Dates: June 11th

Time: 9AM – 1PM

Ages: 5-8

Cost: FREE

Class size 15

Place: Extension office

Come learn all about the fascinating world of bees! During our time together, you will learn how bees benefit agriculture. We will participate in many activities that will help you better understand the world of bees!

INSTRUCTOR: Joy East, 4-H Leader and Taylor Furr, 4-H Agent.

Zip Lining

Date: June 12th

Time: 10:30AM – 1PM

Ages: 5-18

Cost: \$25

Class size 25

Place: Meet at Carolina Zip Lines (1085 Nickell Farm Rd in Westfield)

Come sail across the open landscape of Stokes County on a zip line! **Upon arrival, parents will have to complete a signed waiver before youth go to zip line.** If there are adults interested in attending, please let the 4-H office know as we will need adult volunteers with each zip lining group.

INSTRUCTOR: Carolina Zip Lines staff

Things with Wings Zoo Snooze

Date: June 13 - 14

Time: 3:00pm on Friday

- 5:00pm on Saturday

Ages: 7-12

Cost: \$40.00

Class size 9

Place: NC Zoo (The van will leave from the Extension office)

Come stay the night at the NC Zoo! Soar into the night learning about why animals have wings! You will be surprised what you learn. From flight to camouflage to communication, learn the many ways these critters use their wings. Through games, activities and meeting some live winged creatures, you will get an idea what it is like to live in their world. You will get a chance to meet a zookeeper and learn what it is like to be a bat. After you leave, continue your experience by attracting native birds to your back yard with a bird feeder you build.

4-H Investigates

Date: June 18-20

Time: 9a-4p daily

Ages: RISING 6th, 7th, 8th graders

Cost: \$15.00 (covers lunch each day, transportation and t-shirt)

Class size 10.

Place: Meet at the Extension office at 7:30AM, travel to Caswell County

Do you love shows like CSI and NCIS? Well if so, this is the program for you! Participants will become detectives to solve a 'murder' mystery. Solve the crime by exploring blood typing, fingerprint analysis, and DNA analysis. Lunch and snacks will be provided. A field trip to the courthouse, FBI Agents and MUCH more will also be featured.

Instructors will include 4-H Agents and

Babysitter Backpack

Date: June 24 – 28

Time: 9a-1p

Ages: 12-16

Cost: FREE

Class size 15

Place: Extension Office

Are you a teen who is interested in becoming a babysitter, but haven't had the proper training just yet? Come learn the basics and best practices for babysitting! You will also be learning how to cook healthy lunches
**Instructors: Patti Snyder, FCS Agent
Taylor Furr, 4-H Agent**

Take Me Out to The Ball Game

Date: June 26th

Time: 9am – 4pm

Ages: 9-18

Cost: FREE

Class size: 10

Place: Meet at 4-H Office traveling to Greensboro

Have you ever been to a baseball game? It is a treat to enjoy a baseball game so close to home. We will be going to the Greensboro Grasshoppers ball field where we will get a "behind the scenes" tour prior to the game then we will watch the game. Lunch will be provided at the ballpark and snacks provided. Be sure to dress appropriately to be outside. BRING: hat, sunscreen, extra money if want anything during the game. Fee charged covers transportation, baseball ticket, lunch and tour ****Times for this program may change based on the behind the scenes tour prior.**

INSTRUCTOR: Taylor Furr, 4-H Agent & Greensboro Grasshopper staff

Canvas Painting

Date: July 2nd

Time: 9AM – 12PM

Ages: 5-18

Cost: \$20

Class size 20.

Place: Meet at Wooden Ladder Art Loft (108 East Dalton Road, King)

Do you like to paint? Would you like to learn some techniques to perfect your art? A local artist from Stokes County will lead you in canvas painting! This workshop is to help youth learn more about the parts of a brush, colors, kinds of brushes, and painting techniques. Everyone will go home with their painting they created! **Wear clothes that can get paint on them.**

INSTRUCTOR: Heather Calloway Smith, Wooden Ladder Art Loft

Cloverbud Camp Day 1

Date: July 9th

Time: 9AM-3PM

Ages: 5-8

Cost: FREE

Class size 15

Place: Extension Office

This is a day for all our Cloverbuds! Come learn about foods and cooking! We will be learning basic cooking skills and food nutrition, as well as fixing our own lunch! **Please note any food allergies your child may have when registering for this class.**
INSTRUCTOR: Taylor Furr, 4-H Agent and Patti Snyder, FCS Agent.

Cloverbud Camp Day 2

Date: July 10th

Time: 9AM-3PM

Ages: 5-8

Cost: FREE

Class size 15

Place: Extension Office

This is a day for all our Cloverbuds! Come learn about gardening and horticulture! We will be learning basic gardening skills and about simple plants. You may even take home your own plant!

Please bring your own lunch!

INSTRUCTOR: Taylor Furr, 4-H Agent and Bryan Hartman, Horticulture Agent

Cloverbud Camp Day 3

Date: July 11th

Time: 9AM-3PM

Ages: 5-8

Cost: FREE

Class size 15

Place: Extension Office

This is a day for all our Cloverbuds! Come learn about 4-H and how you can participate in our program throughout the year. You will be making arts & crafts from a 4-H curriculum to take home! **Please bring your own lunch!**

INSTRUCTOR: Taylor Furr, 4-H Agent

Adventures in Aggeland

Date: July 15 - 18

Time: 9a - 4p

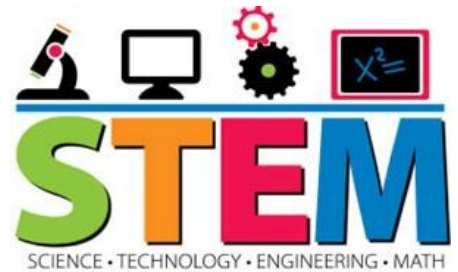

Ages: RISING 6th, 7th, 8th graders

Cost: \$20 (includes lunch each day, t-shirt and materials from workshops)

Class size 10

Place: NC A&T University (The van will leave from Danbury)

Discover NC A&T University through an escape room/scavenger hunt across campus. Youth will also visit and participate in hands-on projects on the farm, and the 4-H Innovation Station mobile maker-space. Experience the Robotics Petting Zoo each afternoon by working as a team to build robotic animals.

Boater Safety

Date: July 17 & 18

Time: 6PM – 9PM each day

Ages: All ages

Cost: Free

Place: Extension Office

Do you want to know more about how to stay safe when using a boat? Come learn about boater safety from a Stokes County Wildlife Officer.

NC 4-H Congress

Date: July 19 – July 23

Time: All day/overnight

Ages: 13 – 18 (***MUST be 13 as of Jan. 1***)

Cost: Contact Taylor

Place: NCSU Campus in Raleigh (will leave from the 4-H office)

Spend 4 days at NC 4-H Congress housed in Raleigh at a hotel and attend workshops, dances, and events at NC State University campus. Youth will gain leadership skills and assist in community service projects! Experience the democratic process electing State 4-H officer's, enjoy workshops and social activities.

4-H Robotics

Date: July 30 – August 1

Time: 8a - 4p

Ages: RISING 6th, 7th, 8th graders

Cost: \$15 (covers travel and lunch each day)

Class size 8

Place: Rockingham County Extension Office (The van will leave from the Extension office)

Have you ever built a robot from junk? Here's your chance! You will be challenged to build a robotic arm from everyday household items. Youth will gain an understanding of the basic science concepts related to robotics while building skills in science, technology and engineering. This program is for youth who love science and love to design things!
