

CSI BO Camp

ate: July 9-11

Time: Residential Camp

es: 12 - 15

Cost: \$60

ocation: Wesleyan College - Will leave from
ounty Extension Office

Join fellow middle and high school youth to solve a murder mystery using science! You will learn about the techniques used by forensic scientist to help solve crime in this day and age. You will also learn the science behind various tasks that go into crime solving such as, fingerprinting, interrogation, DNA extraction, and electrophoresis. At the end of the week youth will work together to solve their very own murder mystery.

Registration due: June 7, 2019

**Contact NC Cooperative
Extension, Warren Co.**
