4-H PEN FRIENDS

USE YOUR TIME TO MEET SOMEONE NEW

4-H Pen Friends provides the perfect opportunity for you to meet someone new while you are at home during the next couple of weeks. Whether you prefer to write an email or get out your pencil & paper and send an actual letter, we encourage you to sign-up as a 4-H Pen Friend.

You can choose to write to another 4-H'er from a different county or an elderly person in a nursing home!

****If at least 6 letters are exchanged, you will be able to count this as a communications project!**
