Produce, Transplants	Delivery, Farm Store/Stand, Farmer's Market	Bordeaux Regional Nursery	325 Franklin Street	Fayetteville	28304	Cumberland	910-813-9873	<a href="http://bl2-litfm.blogspot.com/">http://bl2-litfm.blogspot.com/</a>	orders and pick-up at address; BRN is a all organic GMO-free micro-nursery, we operate a stand at the weekly Fayetteville City market (Saturdays 9-1pm year round). Special appointments to visit the growing facility can be arranged if a customer requests it. We also deliver and do two facilities tours per year(spring and fall). Our focus is on food plants, and interesting alternatives to common garden staples. We also carry a limited line of houseplants some of which are edible, and we work with the local urban farming community to promote the best practices and plant varieties for our region. Between October and March we also offer fresh seasonal produce.
