

NO SEW T-SHIRT TOTE BAG

1

Lay a washed and dried t-shirt flat on the floor.

2

Cut off both sleeves.

3

Cut out the neckline from the t-shirt.

4

Make 1.5 inch slits along the bottom of the t-shirt. Cut through both sides of the t-shirt.

5

Turn the t-shirt inside out.

6

Tie the top and bottom tassels together. Be sure to double knot your ties to ensure the bag does not come apart when filled.

7

Continue Step 6 until all tassels are tied.

8

Turn the t-shirt right side out again. Enjoy your reusable tote!
