DISCIPLINE AND BEHAVIOR MANAGEMENT POLICY

Praise and positive reinforcement are effective methods of the behavior management of children. When children receive positive, non-violent, and understanding interaction from adults and others, they develop good self-concepts, problem solving abilities, and self-discipline. Based on this belief of how children learn and develop values, this facility will practice the following discipline and behavior management policy:

We:

1. DO praise, reward and encourage the students.
2. DO reason with and set limits for students.
3. DO model appropriate behavior for students.
4. DO modify the classroom environment to attempt to prevent problems before they occur.
5. DO listen to students.
6. DO provide alternatives for inappropriate behavior to the students.
7. DO provide students with natural and logical consequences of their behaviors.
8. DO treat students as people and respect their needs, desires and feelings.
9. DO ignore minor misbehaviors.
10. DO explain things to students on their level.
11. DO use short supervised periods of 'time-out'.
12. DO stay consistent in our behavior management program.

We:

1. DO NOT spank, shake, bite, pinch, push, pull, slap or otherwise physically punish the students.
2. DO NOT make fun of, yell at, threaten, make sarcastic remarks about, use profanity or otherwise verbally abuse students.
3. DO NOT shame or punish students when bathroom accidents occur.
4. DO NOT deny food or rest as punishment.
5. DO NOT relate discipline to eating, resting or sleeping.
6. DO NOT leave students alone.
7. DO NOT place students in locked rooms, closets or boxes as punishment.
8. DO NOT allow discipline of students by students.
9. DO NOT criticize, make fun of or otherwise belittle student's parents, families or ethnic groups.

4-H AQUATIC POLICY

The Water Policy will be in effect for the Avery County 4-H Summer W.O.W. Program. The Policy states that every participant that is a non-swimmer must now furnish their own life jacket or use 4-H water wings for them to participate in water related activities. These life jackets must be clearly marked with their name on it and brought each time an event offers water related activities. Students will also be required to pass a swim test to determine if they can swim in the deep end. Your student will not be allowed to participate unless they comply with these new rules. The swim test that will be used is by the WSI Standards. Neckbands will be worn colored coded according to his/her swimming ability. Each week participants will be given the opportunity to re-test after they have worked with certified lifeguard on staff. A list of participants and how they have tested will be kept at the Newland Elementary 4-H Summer WOW site.

10A NCAC 09.1403 – Aquatic Activities

- Aquatic activities are defined as activities that take place in, on, or around a body of water such as a swimming pool, swimming instruction, wading, visits to water parks and boating.
- For every 25 youth participating in aquatic activities, there must be a least one person who has a current lifeguard training certificate. These certified lifeguards cannot be counted in the required staff-child ratio.
- Children under the age of three may not participate in aquatic activities unless it is necessary to implement any child's Individualized Family Service Plan (IFSP) or Individualized Education Program (IEP)
- The flowing staff-youth ratios must be maintained during aquatic activities:

Age of Youth	Ratio Staff/Youth
3 to 4 years	1 to 8
4 to 5 years	1 to 10
5 years or older	1 to 13
- Regardless of the number of youth participating, a minimum of two staff members must supervise aquatic activities.
- Adequate supervision must be maintained at all times. Half of the center staff needed to meet staff-child ratios must be in the water and the other half must be out of the water
- Staff must be positioned in pre-assigned areas that will allow them to hear, see and respond quickly to youth at all times.
- The center must develop aquatic activities policies
- Staff must sign and date statements that they have reviewed the policies.
