## In the News

Veteran's Day is fast approaching. This is a great opportunity to put something special in your project record book towards the end of the year. Items listed in the Civic Engagement part show the judges that you are a well-rounded 4-H'er that cares about their community. Please think of how you can honor our Veteran's. Maybe send a card to a Veteran you know, have dinner with them, schedule time to visit a nursing home or the VA Hospital in Salisbury; these are all great ways to show you care.

This year's election for County Council officers will happen at our November County Council meeting. If you are ages 13-18 and have some ideas on how our 4-H program could meet the needs of our club members, we would love for you to apply to be a officer or co-officer. Please drop your applications at the office or bring them to County Council Meeting on November 2. This is a day off for schools, so please plan to join us at the office for County Council meeting at 3 p.m. We will hold elections and participate in flag retirement ceremony. This will be perfect to add to your 2021 4-H Project Record Book.

## National 4-H Week Reflection

With National 4-H week 2021 in the books, we have lots of people to thank and spotlight! Congrats go to our talent showcase, Rachel Wilson, and all of the youth who were awarded state level awards! Way to go everyone! Thank you to everyone who helped set up items at our Tractor Supply Company stores. I firmly believe this will be our best Paper Clover Campaign ever! Please share our gratitude with the staff next time you visit a TSC store.
