Grower's Signature: \_\_\_\_\_

Requirements:

1. Any producer with cotton grown in Edgecombe County will be eligible for the yield contest. **The total acreage for a producer must be considered, including any cotton grown in other counties.**
2. If you irrigate one (1) acre or more of your cotton crop, you will have to participate in the irrigated division.
3. The top four cotton yield winners must be willing to provide their gin cards for verification of yields.
4. The cotton acreage will be the reported acreage in the FSA office.
5. Entries must be received in our office by 5:00pm of January 22, 2024.
6. It is **very important** that each producer return their data yield so we can determine the acreage yield for the county. If you do not wish to participate in the contest, please make note on the form.
