

2021 Summer Fun Currituck County 4-H

4-H is the Youth Development program of North Carolina Cooperative Extension. The

Currituck County 4-H program offers Summer Fun - a series of educational camps designed to build life skills through shared experiences and hands-on learning. Camps are open to ages specific to the age appropriateness of the activities.

4-H Enrollment

4-H Enrollment is required for participation in any in-person program conducted by the 4-H/Extension Staff. To complete enrollment visit <https://u2.4honline.com/#/user/sign-in> . For those families new to 4-H, choose Member At Large for your club when enrolling.

Camp Registration

Register and pay for classes using the Eventbrite Link provided. Each camp has a corresponding link. If you elect to pay by cash or check payment must be made within 5 working days of registration in order to hold your spot.

Additional Information:

- Fees cover insurance and supplies. Camp fees are non-refundable, unless the camp is canceled.
- Space is limited, so once enrolled, your child is expected to attend and participate. If your child can no longer attend, please contact the 4-H Office as soon as possible so we can offer the space to the waitlist.
- Start and end times are enforced. Please arrive on time and pick up your children on time. We are unable to wait for late campers when departing for “away” trips, due to schedules established with our partnering organizations.
- If your child will be taking any medication (prescription or over-the-counter) during a 4-H camp, please advise the 4-H staff and supply the medication in a labeled container and instructions to the staff.

Little Bakers In the Kitchen

Date: June 8
Time: 9:00am-12pm
Ages: 6-9

Cost:\$5

Location: Currituck Extension Center

Your child will be a baker for the day as they learn about My Plate, hand washing, how to measure dry and liquid ingredients, different measuring tools and how to fix delicious bread loaves to take home to enjoy with the family. Participants will be making Bread in a Bag and Pretzels. This class will take place at the NC Cooperative Extension - Currituck Center located at 120 Community Way Barco, NC.

Super STEM Fun

Dates: June 22

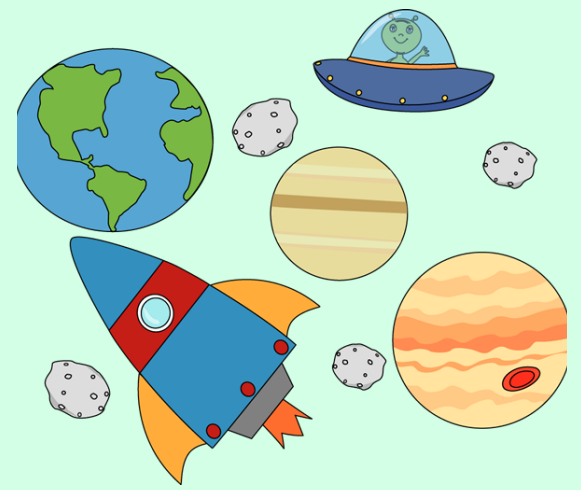

Time: 1:00-4:00pm

Ages: 10-14

Cost: \$5

Location: Currituck Extension Center

Calling all Space Enthusiasts ages 10-14! Is your child interested in planets, stars and the solar system? Then we have the class for you! Activities include developing space rover missions, building simple rockets, designing trajectory maps and solving a real world problem. So join us for an afternoon of out of this world fun.

Disc Golf Camp

Dates: Wednesdays- June 23-August 4

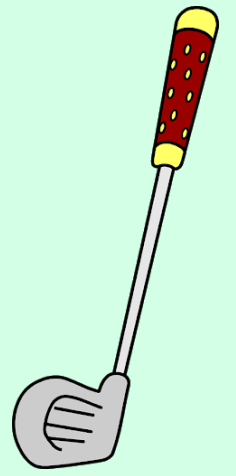

Time: 9:00am-12:00pm

Ages: 8-12

Cost: \$5 per session

Location: CCRC, 184 Milburn Sawyer Rd, Powells Point NC

Want to sharpen up your disc golf scores or just learn the sport in general? Join from at the Currituck County Rural Center in Powells Point to learn all there is to know about Disc Golf. We will have experienced disc golf players sharing techniques and demonstrating skills about playing the sport. The CCRC has a newly designed 18 hole course to provide a great playing experience for both beginners and the experienced. ******* Campers will be provided disc to use for camp.**

Car Basics

Dates: June 24

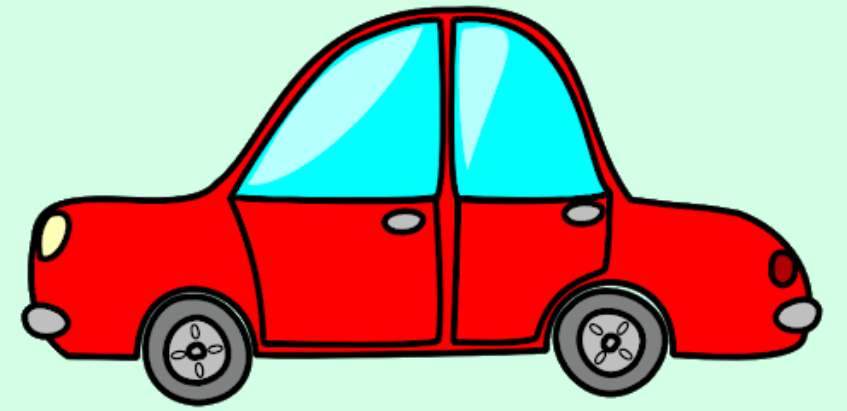

Time: 9:00-12:00pm

Ages: 14-18

Cost: \$5

Location: Currituck Extension Center

This workshop is designed to teach you the basics of care and maintenance. Learn your way around a car! We will learn how to check the oil and other fluid levels, change the oil, change a flat tire, basic car maintenance and care. It could save you some breakdowns and avoid costly repairs.

Come Sail Away with 4-H

Date: June 29

Time: 9:30am-4:30pm

Ages: 11-14

Cost: \$10

Location: Depart from the Extension Office

Gear up for a great day of fun in the sun and sea! Learn the basics of sailing (knots, rigging and techniques) with River City Sailing and then spend the afternoon sailing. We will have a scavenger hunt at the Museum of the Albemarle in the morning, a picnic lunch in the park and then setting sail in the afternoon. **Youth must be able to swim in order to register for the program and parents will have to sign a River City Sailing waiver .**

Wonders of the Wind

Dates: June 29

Time: 12:00-4:00pm

Ages: 10-13

Cost: \$5

Location: Depart From Currituck Extension Center

Travel to Jennette's Pier to learn how to harness energy from the wind, advantages and disadvantages of wind energy, the importance of clean wind and ideal locations to install wind turbines to maximize energy output. Through construction of their own “turbine” and discussions about alternative energy, participants in this program gain an understanding of how this technology works and its importance for future energy generation.

Citizenship For Beginners

Dates: July 1

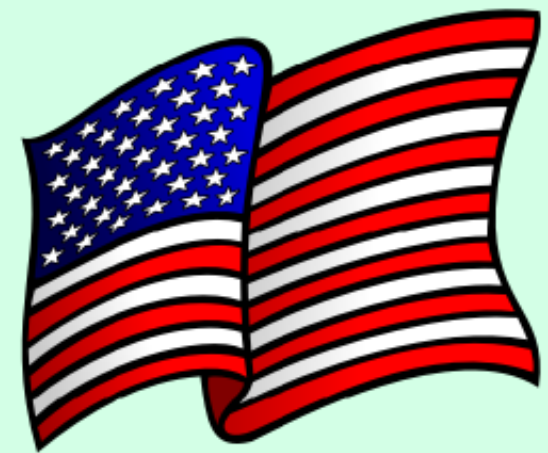

Time: 8:30am-12:00pm

Ages: 5-7 (must have completed kindergarten)

Cost: \$3

Location: Currituck Extension Center

Do you know the state mammal, or know the correct way to fold the flag? Come learn about our great state of NC, as well as some important dos and don'ts when it comes to our American Flag. We will learn some patriotic songs and meet some county officials. If your child is required to ride in a booster car seat please provide that when you drop your child off.

Cooking 101-Fantastic Flatbreads

Dates: July 1

Time: 1:00-4:30pm

Ages: 11-15

Cost: \$5

Location: Currituck Extension Center

Youth ages 11-15 will learn how to make flatbread dough and experiment with a variety of flavor combinations to top their flatbreads. Each participant will make three different flatbreads to take home and share with the family and will have learned all the knowledge and skills to become your go-to chef for a quick, nutritious family meal.

Cooking With Confidence-Snack Science

Dates: July 7

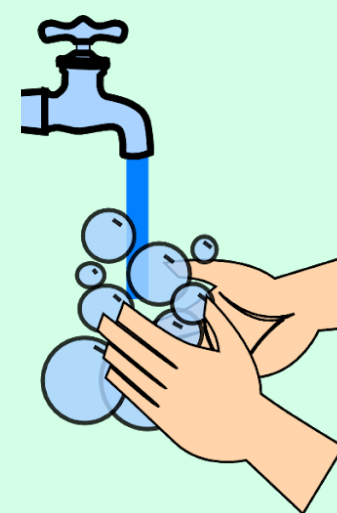

Time: 8:30am-4:30pm

Ages: 8-13

Cost: \$5

Location: Currituck Extension Center

Peek into the science behind food. While learning about food safety, food chemistry, and where food comes from, They will follow the clues to solve a mystery and find new clues that unlock new challenges. There will be 4 different science topics-each with its own mystery to solve. We will also have a picnic so all participants need to bring a bag lunch.

Babysitting Backpacks

Dates: July 8 & 9 (two-day workshop)

Time: 8:30am-12:00pm

Ages: 12-18

Cost: \$5

Location: Currituck Extension Center

Get ready to become the neighborhood's favorite babysitter! This workshop is designed to help youth gain knowledge of babysitting and taking care of those little ones. We will discuss ways to entertain them, as well as what to do in the case of an emergency. Participants will get a demonstration of CPR, and go through the interview process as if they were preparing for taking care of someone's treasured children.

No Sew Sewing

Dates: July 14
Time: 8:30-12:00pm
Ages: 5-7 (must have completed kindergarten)
Cost: \$5
Location: Currituck Extension Center

Are you a crafty kid that enjoys making things like your very own pillow or lap blanket? What about learning how to sew on a button? If you are, this workshop is perfect for you. Please join us for this fun, hands-on workshop that will teach you how to sew on a button as we make our very own sock puppet. Youth will also go home with their own fleece pillow and lap blanket.

Car Basics

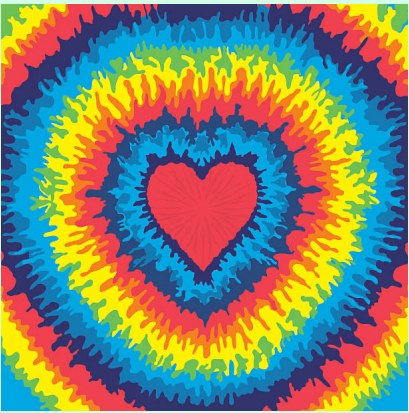

Dates: July 15
Time: 1:00- 4:00pm
Ages: 14-18
Cost: \$5
Location: Currituck Extension Center

This workshop is designed to teach you the basics of care and maintenance. Learn your way around a car! We will learn how to check the oil and other fluid levels, change the oil, change a flat tire, basic car maintenance and care. It could save you some breakdowns and avoid costly repairs.

Let's Tie Dye

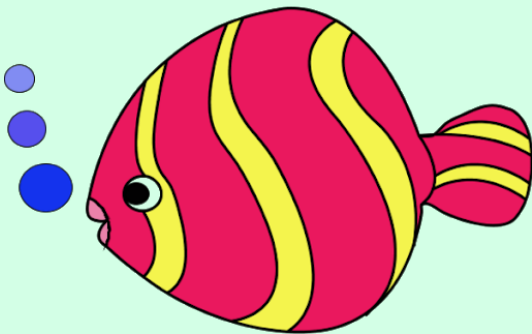

Date: July 15
Time: 9:00am-12:00pm
Ages: 6-9
Cost: \$5
Location: Currituck Extension Center

Youth will have the opportunity to enjoy Tie-Dye on pillow cases and cupcakes.This event will provide hands-on baking experience in the kitchen and explore trends in food, fashion and decoration. Youth will be making Tie-Dye Cupcakes, Pillowcases and Masks. Workshop material will be provided but dress for mess.

A Day in the Life of Marine Fisheries

Date: July 16
Time: 9:00am-1:00pm
Ages: 8-12
Cost: \$3
Location: CCRC, 184 Milburn Sawyer Rd, Powells Point NC

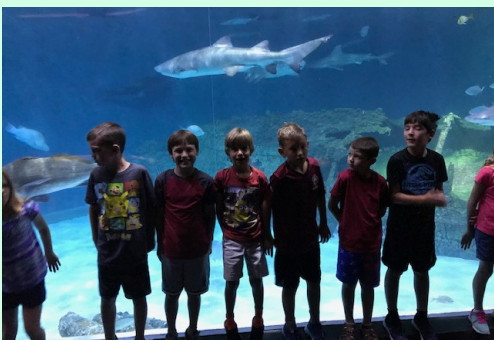

Do you have a child that is interested in fishing, and marine science that would like to learn more about NC Marine Fisheries, or what types of fish we have here in our local Currituck Sound? If so, sign up for this fun educational workshop to learn more about fishing in our local area.

Exploring Currituck County-Historic Corolla Park

Date: July 19
Time: 9:00am-2:30pm
Ages: 12-18
Cost: \$5
Location: Depart from Currituck Extension Center

Join us as we travel to Corolla and experience the Historic Corolla Park which includes the Whalehead Club, Outer Banks Center for Wildlife Education and of course, the Currituck Beach Lighthouse. We will meet at NC Cooperative Extension - Currituck Center at 120 Community Way in Barco, and depart at 9 am. We will travel to Corolla and explore and experience the park. Be sure to pack a lunch and we will have our lunch at the park.

Pier Fishing 101-Jennette's Pier

Date: July 20

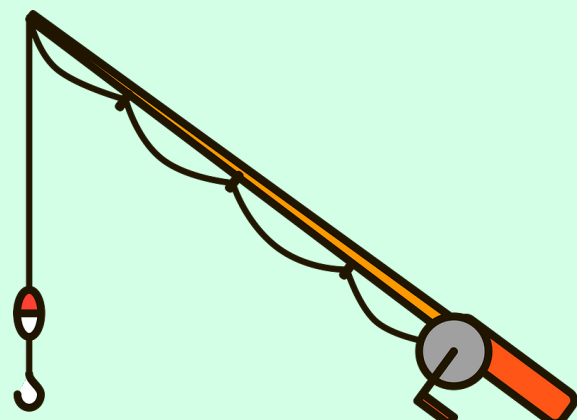

Time: 12-4:00pm

Ages: 5-7 (must have completed kindergarten)

Cost: \$5

Location: Depart from Currituck County Center

Youth will learn the basic skills necessary to catch a fish. Students learn how to cast, reel and the proper catch and release techniques, while fishing on the pier. All bait, tackle and rods are included in the lesson. Please make sure to feed your child lunch before you drop them off because we will not be stopping for lunch. If your child is required to ride in a booster car seat please provide that at drop off.

Muffin Magic

Date: July 21

Time: 9-12pm

Ages: 6-9

Cost: \$5

Location: Currituck Extension Center

Muffins are a fast treat to make for breakfast, light dinner or an anytime snack. Come let your little one join us for some good old "Berry Delicious" muffin baking. This workshop will include how to be safe in the kitchen and how to use kitchen utensils when making delicious fresh strawberry and blueberry muffins from scratch.

Garden Pizza

Date: July 22

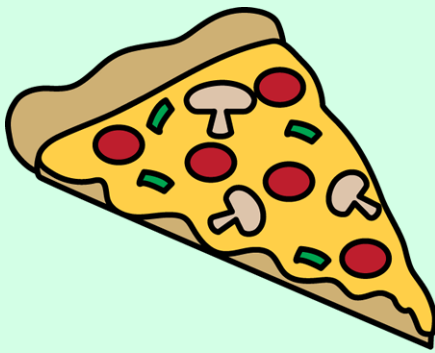

Time: 8:30-12pm

Ages: 10-13

Cost: \$5

Location: Currituck Extension Center

Participants will learn how to make homemade pizza. They will make dough and watch it rise, and then we will take a walk out to the community garden and see what veggies we can use for our toppings. We will talk about knife skills and how you cut up the vegetables, along with how to measure the wet and dry ingredients to make the crust. Each participant will make their own pizza to take home.

Happy Trails Horse Camp

Date: July 22 & 23 (two-day camp)

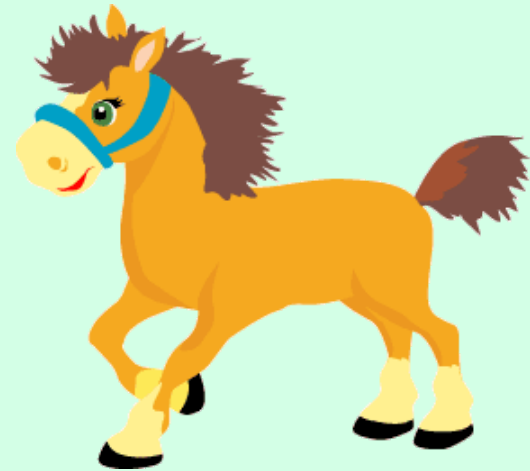

Time: 9am-3pm (both days)

Ages: 7-12

Cost: \$15

Location: CCRC, 184 Milburn Sawyer Rd, Powells Point, NC

Participants will learn basic horse care, riding techniques, different horse breeds and learn about other 4-H horse programs that do not require you to own a horse. Participants will need to bring a bag lunch, a snack and wear closed toe shoes. Bottled water will be provided.

Sounds of the Sea-Jennette's Pier

Date: July 27

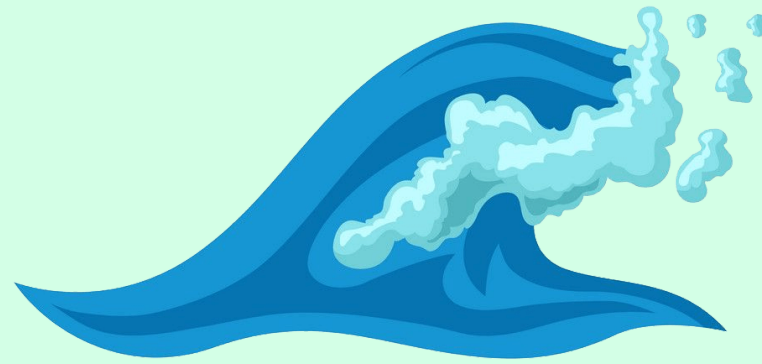

Time: 12-4:00 pm

Ages: 5-7 (must have completed kindergarten)

Cost: \$5

Location: Depart from Currituck Extension Center

In this program, youth will discover how important sound is to ocean animals and what sounds are made by our largest to smallest marine organisms. After exploring a multitude of sounds in the classroom, participants will have the chance to deploy their own hydrophone over the side of the pier and see if they can determine what makes all the different sounds.

Cooking 201-A Taste of Italy

Date: July 28

Time: 1-4:30pm

Ages: 11-15

Cost: \$5

Location: Currituck Extension Center

Food is the one thing that connects people globally. Learn about our world one dish at a time! Join us for the first stop on our trip around the world. Youth will learn about unique Italian cooking techniques, experience recipes native to Italy, and discover other facts about this unique culture. Each participant will make three dishes using their new found skills and also receive a mini cookbook chock full of Italian recipes to try later at home.

National Fish Hatchery-Edenton

Date: July 29

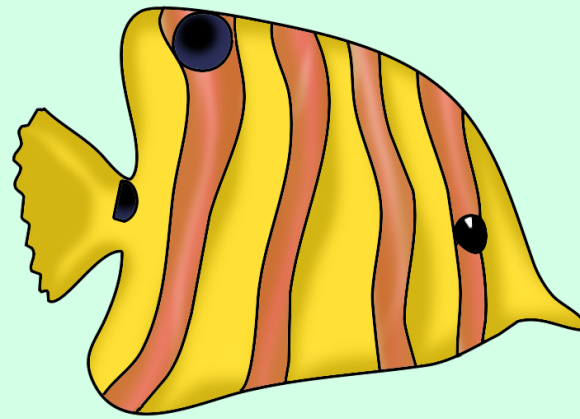

Time: 9am-2:30pm

Ages: 10-13

Cost: \$3

Location: Depart from Currituck Extension Center

Have you ever wondered how the NC Marine Fisheries keep our ponds and rivers stocked with healthy fish? Well if so, this field trip is just for you! We will visit the National Fish Hatchery in Edenton, NC and learn about the program they have that helps keep the striped bass population up in our local ponds and rivers. Participants will also get to see the indoor aquarium and get to feed the fish that are there in the ponds. We will have a picnic lunch before we return to the Extension office. Please pack a bag lunch that does not require refrigeration. We will provide bottled water.

4-H Field Trip-Aquarium

Date: Aug 3

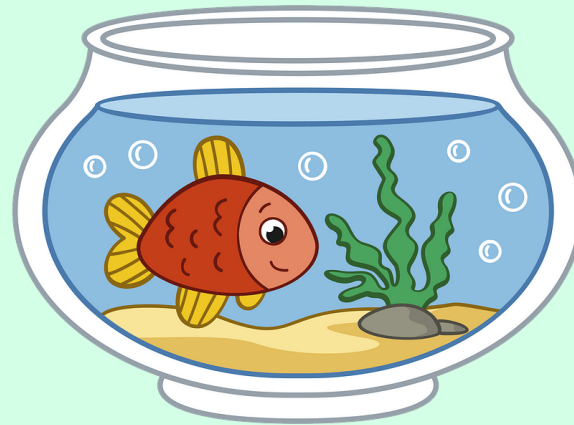

Time: 9am-3pm

Ages: 5-7 (Must have completed kindergarten)

Cost: \$5

Location: Depart from Currituck Extension Center

This field trip will be an exciting adventure to the NC Aquarium located in Manteo NC. Participants will explore the exhibits; from the cute playful otters to the great big sharks. Participants are asked to wear closed toe shoes that are comfy for walking and bring a bag lunch that they will eat at the picnic pavilion close to the aquarium. If your child is required to ride in a booster car seat please provide that at drop off.

Working Worms-Vermicomposting

Date: Aug 4

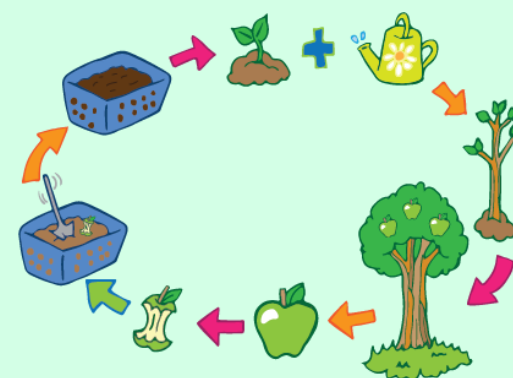

Time: 1-4pm

Ages: 8-14

Cost: \$5

Location: Currituck Extension Center

Composting is a great way to reduce your family's waste, save money, and encourage your children to learn about nature and gardening. You'll turn your food scraps and household organic matter into nutrient rich organic matter instead of sending it to a landfill or a dump. Vermicomposting is a fun and interactive way for youth to learn about recycling, ecosystems and nature. "Working Worms" is a hands-on activity for youth to learn about composting, ecosystems, recycling and the lifecycle of epigeic worms. Each participant will build a composting worm bin complete with working worms to take home.

4-H Trip to the Zoo

Date: Aug 4

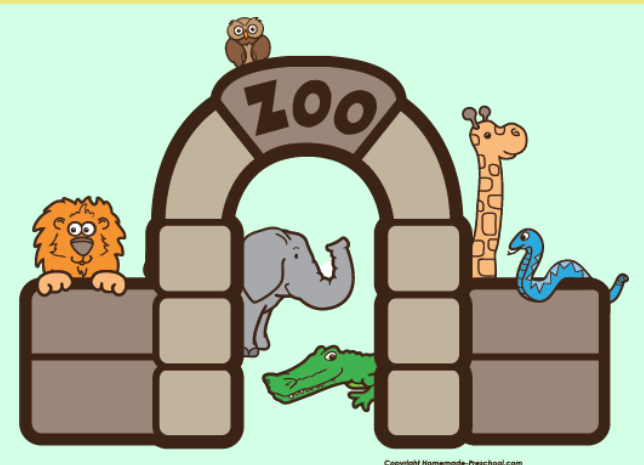

Time: 8:30am-3:30pm

Ages: 5-7 (must have completed kindergarten)

Cost: \$5

Location: Depart from Currituck Extension Center

Join Currituck 4-H on a field trip to the Virginia Zoo, located in Norfolk Virginia. We will explore the zoo, watch the animals, learn about their habitats and more. Youth are encouraged to wear comfortable clothing and closed toe shoes as we will be doing lots of walking. We also ask that they bring a bag lunch to eat at the picnic area at the zoo.

Spice Up Your Life-Flavors of the World

Date: Aug 5

Time: 1-4pm

Ages: 10-16

Cost: \$5

Location: Currituck Extension Center

Spices are small but mighty. They are holders of deep flavor and givers of taste, scent, and color to our food. Join the Currituck 4-H Staff as we explore the wonderful world of spices. Learn what spices are, how to use the scent and flavor of different spices to turn ordinary dishes into spectacular family favorites, and learn how to combine spices with foods to make flavors pop! Youth will put their new found knowledge to use and make three different spice mixes to take home.
