Chowan County Extension Intern

Location: Chowan County

Program Area: 4-H Youth Development, Agriculture and Natural Resources, Family and Consumer Sciences

Immediate/Site Supervisor: Mary Morris

Other Mentors and Supervisors: Kellie Binnicker, Camaryn Brantley, Wil Haines, Sarah Richardson

Position Description/ Responsibilities:

Summer Interns will get a wide range of experience in the Chowan County Extension Office.

Interns shadow all Extension Agents during their time here and work closely with our 4-H Summer Programs. The Intern will get experience with Horticulture (Commercial and Consumer) Family and Consumer Sciences, Agriculture and 4-H.

The internship in Chowan County is a well rounded internship where interns learn about all of the programs offered through Extension.

Preferred qualifications/previous coursework:

- Agriculture related is a benefit as well as Child Development, Health and Animal Science.
- Plant Science, Soil Science, Extension Programming.

Benefits/skills student will gain through this internship:

- Organizational skills
- Working with coworkers, youth, adults, and communities
- Hands-on learning
- Communication skills

Additional Information

The intern will need to be prepared for something different everyday.

National Institute of Food and Agriculture
