Thank you for your support of the 2018 South Qualifying 4-H Horse Show through the purchase of an advertisement. The proceeds from these advertisements will be used towards scholarships, for the youth participating in the South Central District 4-H Horse Program.

The 4-H Youth Development program is a department of NC Cooperative Extension. Through collaborative efforts from our land grant universities and local county governments, 4-H youth programs reach over 300,000 youth ages 5-18 each year in North Carolina. Youth in the 4-H horse program can be involved in horse judging, quiz bowls, hippology, yearly project records, public speaking, creative writing, camps and a variety of other project-specific activities. These youth are not only learning horse subject matter, but they are building valuable life skills in teamwork, communication, decision making, record keeping, leadership and problem solving as well. 4-H utilizes many varied subject matter delivery modes to address and build specific life skills in youth. It is the mission of 4-H to build coping, competent and contributing members of society, developing essential life skills through “learn by doing” experiences.

Again, we appreciate your support of this valuable 4-H program and specifically the youth. You are invited to attend the South Qualifying 4-H Horse Show, May 18-20, 2018 at Why Not An American Ark. This is an excellent opportunity for you to view the youth in action and experience how outstanding these youth really are.

Sincerely,

North Carolina South Central 4-H Horse Advisory Board

North Carolina State University and North Carolina A&T State University commit themselves to positive action to secure equal opportunity regardless of race, color, creed, national origin, religion, sex, age, veteran status or disability. In addition, the two Universities welcome all persons without regard to sexual orientation.
