Hyde County Extension Intern

Location: Hyde County

Program Area: 4-H Youth Development, Agriculture and Natural Resources, Family and Consumer Sciences, Community and Rural Development

Immediate/Site Supervisor: Natalie Wayne

Other Mentors and Supervisors: Lee Brimmage, Andrea Gibbs, Lauren Nelson

Position Description/Responsibilities:

- * Assist Extension Agents with the planning, coordination, and delivery of educational programs in 4-H, FCS, Agriculture, and Community & Rural Development.
- * Support outreach efforts, including workshops, community events, camps, and other youth or adult activities.
- * Collect data, assist with program evaluation, and support reporting requirements.
- * Engage with community members, volunteers, and local partners to support Extension initiatives.
- * Assist the Agriculture Extension Agent with data collection, soil and water sampling, and crop assessments.
- * Assist the 4-H Youth Development Extension Agent with all summer camp programs.
- * Assist the Family Consumer Sciences Extension Agent with the local foods initiative.
- * Assist the County Extension Director with the Mattamuskeet Lodge Project, Brandon Marshall Ball Field Complex and other community projects.

Preferred qualifications/previous coursework:

- Demonstrated strong interest in Cooperative Extension, Agriculture, Community Development, and Youth Engagement.
- Ability to work independently and collaboratively in a team-oriented environment.
- Willingness to participate in community events, workshops, and occasional evening or weekend activities.
- Strong communication and interpersonal skills, with the ability to work effectively with a positive attitude.

Benefits/skills student will gain through this internship:

- Gain hands-on experience with Cooperative Extension programming and community-based education.
- Networking opportunities with Extension, Agriculture, and Community Development Fields.
- Exposure to public service and community-focused career pathways.
- Time management and organizational skills.
- Experience in data collection, reporting, and basic research skills.

Additional Information

This internship offers an exciting opportunity to gain hands-on experience with Cooperative Extension programming while working in the beautiful and diverse landscape of Hyde County. Interns will engage with vibrant rural and coastal communities, explore local agriculture and natural resources, and contribute to meaningful programs that make a real impact. The experience combines professional growth with the chance to enjoy the unique culture, environment, and close-knit community that make Hyde County a special place to learn and work.
