# Volunteer Spotlight

## 2018 Candace Norman Award Winners

**Megan Downs:** Megan has always been an excellent role model for the 4-H youth members and has graciously donated her time and talents at many functions over the years. She has been a group leader at the NC State Youth Team Training clinic several times; teaching youth how to develop and present oral reasons for horse judging. She has also been a test reader and room facilitator for the State Hippology contest. She also has been a scorekeeper for State Horsebowl (and even brought her goldfish for the occasion since she was on her way home for Spring Break). This year, she was an official and listened to oral reasons at the State Horse Judging Contest.

An extreme example of Megan's dedication to the NC 4-H Horse Program has been her service to the State Show Consignment Booth. For several years, Megan has worked from sun up to sun down, helping to manage and organize

the booth. She has managed the computer system, checking in vendors, entering sales tags, preparing deposits and checking out vendors at the end of the sale.

Megan is one of the most reliable individuals. If she commits to something, you know you can count on her to be there and to do an excellent job.

**Bill Crouse:** Bill was a Wake County 4-H volunteer for over 30 years. He was a mentor and champion to many youth during his years as a club leader of the Jammin' Hooves 4-H Club.

Bill makes himself available to volunteer at almost every event that the horse program conducts. He has judged team problems for Hippology, judged district Horsebowl, officiated Horse Judging, served as a steward at district and state horse shows and reviewed scholarship applications. He developed and organized the Wake County Banner program, chairs the Horse Program Emergency Fund and coordinated efforts to make several structural improvements at Camp Millstone. The Horse Program has certainly benefited tremendously from all his efforts and dedication.

Bill worked alongside Candace Norman for many years and is just the type of volunteer that Candace's award is intended to honor!

## Sportsmanship Spotlight

Every year at the NC State 4-H Horse show, 4-H club members and volunteers may submit sportsmanship nominations for a 4-H youth that represents as a model for the youth organization. This year's Junior and Senior Sportsmanship winners possessed characteristics that put others before them while still remaining motivated, helpful, positive, and respectful to their peers.

### **Junior Sportsmanship Winner: Matthew Fransico, Union County**

A note from a fellow 4-H member: Matthew is a 4-H member in 2 clubs: Brandywine and Honeysuckle in Union County. He does not have a horse to show but still came to support his club members and help everyone. He has been a HUGE help to those showing, parents, and his club members.

### **Senior Sportsmanship Winner: Kristen Keeler, Orange County**

A note from a fellow 4-H member: Kristen is one of the most helpful and caring people I have ever met. She is always there to offer help to any one who needs it, has a positive attitude, and treats everyone with respect.

## North Carolina Open Horse Show Judge's Certification Clinic

### **November 18-19, 2017 NCSU Riddick Hall**

Announcing the 33rd Annual North Carolina Open Horse Show Judges' Certification Clinic on North Carolina State University's Main Campus in Raleigh, NC. This clinic is designed to provide individuals who are, or aspire to be, horse show judges with practical "hands on" experience in judging saddle seat, hunt seat, non-trotting and western classes. Participating judges will have an opportunity to judge 20-27 conformation and performance classes, complete a required 50 question exam in each of the four divisions, and receive certification in these four divisions. A panel of breed recognized professional judges from across the nation will discuss the class placings and present lectures on judging procedures. Individuals completing the clinic will be included on a list of suggested horse show judges that will be annually revised and distributed to open horse show organizations located in North Carolina and surrounding states. Judges receiving an average score of 90% or higher per show division will be certified for that respective division. A minimum of 33% of participating judges will be certified in each division. Certification will be awarded separately for each division. A judging list will be forwarded upon request to breed associations for applicant judges and horse show organizations throughout the United States. Participation in the [NCSU Horse Judging Short Course](#) is highly recommended but not required for individuals new to the judging experience.
