

Pumpkin Dog Treats (for your pet)

Recipe shared by Linda Carpenter

Ingredients

- 1 cup solid pack pumpkin or freshly cooked pumpkin
- 2 cups whole wheat flour
- 1 egg

Directions

1. Put pumpkin in a large bowl. Whisk the egg in a separate bowl then add it to the pumpkin and mix well.
2. Preheat oven to 350 degrees.
3. Add in the flour, stir, then turn out onto a non-stick surface and knead the dough until well mixed.
4. Roll the dough out on a floured surface until it is about 1/2-inch thick.
5. Cut the dough into squares using a knife or a pizza cutter works well. About an inch square is good, maybe a little smaller for smaller dogs.
6. Bake for 30 minutes or until golden brown. Be sure to cool completely before serving to your dog.
