

RESPIRATOR FIT TESTING

February 7, 2019 | 9:00 am- 4:00 pm
NC Cooperative Extension Henderson County

100 Jackson Park Rd.
Hendersonville, NC 28792

Cost: \$35 for medical clearance & fit test
\$25 for fit test only

(Must bring a copy of your completed medical clearance. If you have a chronic condition that affects cardiac and/or respiratory function, please bring a written confirmation of the medical clearance. It may be done by paper prescription or on letterhead from doctor's office.)

Cash or check only (payable to ECU)

Slots are 20 minutes for a half face respirator, and 30 minutes for a full face respirator. Call 828-697-4891 to claim a slot.

Bring a respirator if you have one. DO NOT purchase a respirator prior to fit testing if you do not have one. We will have sizing kits available and some respirators/cartridges to purchase. We have a grant that allow us to sell them at reduced cost.

Prior to fit testing, we will check your blood pressure, blood sugar, height, weight, and will also perform a spirometry (lung function test).
