**Immediate/Site Supervisor:** Molly Alexi

**Other Mentors and Supervisors:** Mandy Smith-Thompson, Hayley Cowell, Andrew Pfeifer, Lydia Stegall, Chloe Williams

### Position Description/Responsibilities:

As a Summer Intern with N.C. Cooperative Extension, you will gain hands-on experience in community outreach, program development, and research-based education. Interns work closely with Extension agents and staff, contributing to projects that impact local communities. This internship offers an excellent opportunity to develop professional skills, build a network, and learn more about Extension's services.

Key Responsibilities:

- Learn and deliver high-quality service while engaging with local stakeholders, including farmers, families, youth, and local organizations.
- Develop strategies to market Cooperative Extension programs and services to the local community via a variety of delivery methods.
- Develop, deliver, and evaluate educational programs and community outreach for both youth and adult audiences.
- Conduct outreach activities, including workshops, demonstrations, and community events.
- Develop educational materials such as presentations, brochures, and online resources.
- Support data collection, analysis, and reporting for program evaluation.
- Participate in Extension team meetings and professional development opportunities.

### Preferred qualifications/previous coursework:

- Strong interest in community outreach and public service.
- Excellent communication and interpersonal skills.
- Experience working with youth and leading youth programming preferred.
- Ability to work independently and collaboratively in a team setting.
- Familiarity with social media and digital content creation.

### Benefits/skills student will gain through this internship:

- Practical experience in community engagement and program delivery
- Professional networking opportunities
- Explore Extension career opportunities and the role of Extension in addressing local and statewide challenges
