# Facility Information

## Maps

If it is your first time to the Hunt Horse Complex, you might want to take a look at this [aerial map of the facility](#) so you are familiar with the location of the barns, rings and entrance gate and stall and show offices.

## Parking & Safety at the Horse Complex

PLEASE REMEMBER: No trailers or campers will be allowed to park and set up next to the barns. With campers/trailers parked next to the barns, there is not enough access for emergency vehicles to pass unobstructed in the event of an emergency. This is a violation of fire code. There are no changes to open trailer/ camper parking. Thank you for your cooperation as the NC State Fair-grounds implements this new plan for the safety of all. Please be mindful of securing all valuables during the show. At various shows throughout the year, there have been instances of theft occurring from the stall area. Thieves have even stolen items from cars that they were able to unlock by finding keys lying around stalls. If your group is going to leave your stall area for any length of time, please lock up your items in tack stalls. Better safe than sorry!

## Hunt Horse Complex Rules- Be Sure to Review

- Horses should stay within the arenas, barns, rings, and pads. Horses are not allowed in the paved parking lot or in the RV park.
- Washing or bathing of horses is to be done in designated wash areas only, located inside Barn B or outside between Barn B and middle ring.
- No overnight horses may be stabled in trailers or tied out. Horses are not allowed to be tied or led by any moving vehicle.
- Smoking and the use of electronic cigarettes (e-cigarettes or vaping) are prohibited in the main arena, dining and office areas, and all barns.
- No nails, screws, staples, or fixtures may be installed in any building including stalls and door frames (to hang stall guards). Please use bucket straps or other methods in the inside stalls. Eye hooks may be placed in two existing holes in a stall to hang water and feed buckets in outside stalls. Eye hooks must be removed when you leave. **If a stall that is assigned to you is assessed damaged fees by the facility, you will be billed for those fees.**
- **DO NOT PUT ANY NEW HOLES IN ANY STALLS OR STAPLE/NAIL ANYTHING TO THE OUTSIDE OF A STALL OR INSIDE A TACK STALL.**
- Skateboards, in-line skates, scooters, and hoverboards may not be used anywhere on the grounds. **Due to past safety issues, BIKES are not permitted at the NC State 4-H Horse Show.**
- The use of drones or unmanned aircraft/vehicles is prohibited on all State Fair property including HHC.

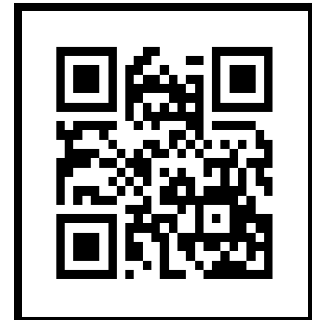

- The speed limit may not exceed 5 mph in the horse complex and caution should be taken when driving near people and animals. **Every motorized or electric vehicle operator (INCLUDING GOLF CARTS) must have a valid driver's license and proof of insurance.**
- No power strips may be used in any HHC receptacle. In addition, all extension cords utilized must be grounded (3-prong) type. Improper cords pose a danger and may be confiscated.
- No cooking or open flames are allowed in the barn areas; this includes grills (gas or charcoal), deep fryers, and smokers. A crockpot is allowed, but it must be directly plugged into a wall outlet, equipped with a tip-over safety switch, and used only within the walkways, not in the stalls or near combustible materials.
