Please note the following rules that have been established by the HHC that may or may not impact your set up and space:

- Vendors/Concessionaires are show-specific and are to adhere to the same move-in and move-out policies of the show with which they are affiliated. All vendors/concessionaires must provide HHC with proof of liability insurance.
- Any vendors/concessionaires that stay between shows will be charged for days outside of the move-in/move-out schedule. This will be charged as a camping fee for each space occupied anywhere on State Fair property.
- All food providers must submit proof of insurance and current certification from the Wake County Health Department. All food trucks must leave the premises at the conclusion of the show.
- All tack and miscellaneous vendors must show proof of insurance during show dates with appropriate liability insurance limits.
- No power strips may be used in any HHC receptacle. In addition, all extension cords utilized must be grounded (3-prong) type. Improper cords pose a danger and may be confiscated.
