

Mobile Processing Unit User Agreement

The Mobile Processing Unit (MPU) is intended expressly for on-farm processing of poultry for home use and/or for sale under the North Carolina inspection exemption. North Carolina Cooperative Extension Stokes County Center (NCCESCC) agrees to allow the use of the MPU to the below listed individual (the "User") in consideration for User agreeing to the following:

User agrees and acknowledges that it is the User's sole responsibility to know and comply with all state and local laws and regulations governing food safety, including but not limited to those relating to state inspection exemptions. User further understands and agrees that the User is solely responsible for proper operation of the MPU and for proper disposal of offal (guts, body, head, feathers, etc.). User is solely responsible for the User's operation of the MPU. **In addition, the User agrees to pay for any damages to the MPU which occur during transportation or operation of the MPU. The User understands the possible risks and dangers associated with the operation of the MPU and assumes all risks of personal injury, death, and property damage or loss from any cause whatsoever, including but not limited to, his own conduct and the negligence of anyone else.** The User hereby releases and shall indemnify, defend and save harmless NCCESCC, NC State University, the State of North Carolina, and their respective trustees, officers, agents, and employees (the "indemnified persons and entities") from all liabilities, losses, costs, damages, claims or causes of action of any kind or nature whatsoever, and expenses, including attorneys' fees and litigation, arising or claimed to have arisen out of personal injuries or death, or property damage or loss, sustained by the User as a result of User's operation of the MPU, as well as those injuries or property damage sustained by others as a result of the User's operation of the MPU. **The items below are checked out with the MPU; the cost of the item must be repaid if damaged or lost.** The User understands the MPU hitch accepts only a 2" ball. **The User also understands that NCCESCC Staff will not assist with attaching the MPU trailer to the User's personal vehicle. The User is solely responsible for attaching the MPU to their own vehicle. Additionally, the User is responsible for ensuring the MPU equipment is securely fastened to the trailer before leaving NCCESCC property (i.e. checking ratchet straps).**

Rental rates are \$50 per rental period (up to seven days). If the User anticipates needing the unit longer than the reserved time period, the User must request an extension from the NCCESCC representative listed below before the initial rental period ends. Payment must be made at pick-up.

Any User returning the MPU dirty (e.g. blood, offal, mud) will be charged a cleaning fee fine.
