# Class Description

Join us to learn more about quilting - it's not just something your great grandmother used to do - think clothes, purses, wall hangings, tote bags and pillows!

From Staunton, Virginia (in the heart of the Shenandoah Valley), Ms. Sharon Angle will appear. From Dewsbury, England (in the north of England surrounded by the beautiful Yorkshire Dales), Mrs. Christine Cashman will entertain and educate you (in a lovely accent) about her quilting adventures. Both instructors will tell you more about quilting and how they got started. They will also show examples of quilts and quilting projects they've made.

A class information sheet titled "Beginners Please" will be provided so that class members (on their own) may try their hand at quilting by making this adorable pin cushion!
