Washington County Extension Intern

Location: Washington County

Program Area: 4-H Youth Development, Agriculture and Natural Resources, Family and Consumer Sciences, Community and Rural Development

Immediate/Site Supervisor: Rebecca Liverman

Other Mentors and Supervisors: Jalyne Ward, Sonona Jefferson

Position Description/ Responsibilities:

This will be shared among the entire staff.

The intern will have the opportunity to work in a variety of Extension settings including:

Field Crops, Classroom Instruction, Off site field work, office duties and tasks.

This will include field trails, farm visits, media relations, youth enrichment programs and data management.

Preferred qualifications/previous coursework:

- Outstanding customer service
- Ability to multitask
- Positive, caring attitude for community service
- This staff has a varied background; we welcome anyone willing to learn more about Extension work

Benefits/skills student will gain through this internship:

Two staff members have been previous Extension interns and understand the value of growing their own knowledge, while sharing their experiences and personal journey with the new intern.

Additional Information

We have a busy downtown office with walk in traffic. This high visibility opportunity gives us the chance to interact with a lot of different people.
