MESSAGE FROM PRESIDENT

Welcome to Spring and Summer. It is so good to see all things green again after winter. I have been quite busy over the past few months. I have been privileged to have had the pleasure of attending all of the District Days. I am so proud of all of you. They were all filled with great programs, fellowship and food. Even though they were all

different they all had an element of our ongoing theme of eating healthy and eating local. I comment all of you on a job well done.

I have been meeting with the North Central District who is planning the State Meeting in Winston-Salem this year and the plans will be coming out to you in August. Hope you will all plan to attend.

We have several members who will be attending the NVON meeting in Illinois in July where we will be inviting them to our State in July of 2017.

Thank all of you for what you do for ECA and your communities. I am so proud to be your President.

OPPORTUNITIES...ECA Clubs, Counties, Districts!

At our NVON meeting in Raleigh, July 17, 2017, NC can have a Sales Table with your wonderful crafts and one-of-a-kind creations which can benefit your club, county or district. Sounds like it is entirely too early to think about 2017. However, you know if you want a project completed, better get it started before time gets too close and it never gets done. We have a committee on our work sheet entitled "Host State Sales Table Committee" with room to write several names that would promote this very fun project. Please give me a ring (704) 786-5324 or E-mail- jwklut12@gmail.com and volunteer to coordinate this committee for our NVON conference. In years past, there were baskets, soaps, gourd pocketbooks, jackets, jewelry, placemats and many sales. Let's show the visiting STATES the quality of our own handwork.

Volunteers for NVON – *Thank you!* – Other Needs

During our state conference, many of our Districts and individuals volunteered to take responsibilities for planning and conducting parts of our national meeting in 2017, Raleigh. However, there are two **very important** committees needing to be filled – **REGISTRATION & SPEAKERS/ENTERTAINMENT**.

Registration duties – prepare packets for each registered member with name tag, meal/workshop/tour tickets, conference program, list of attendees, business "stuff" provided by NVON, (all the items that our state meeting needs and people to be at the registration table during certain hours).

Speaker/Entertainment Committee – line-up either/or speaker or entertainment for luncheon and dinner on Wednesday and luncheon and dinner on Thursday, provide bio for introduction, follow-up reminder, note of thanks, check for expenses.

Again, 2017 sounds like too far away to start on anything; however, in **August, 2016** – this year, ladies, **tours, speakers, entertainment** names are to be **submitted** to NVON for Board approval. December of 2016, registration information, workshop/seminars, speakers, tours, entertainment information is due for Web-site and NVON newsletter.

Please give me a call (704-786-5324) or E-mail jwklut12@gmail.com if you, your club, county or district would be willing to chair one of these committees.

Thank you for your willingness to help,

Craven County

Attending the Craven County annual Achievement Day was a special time for us. We recognized Janis Cannon who has been a member of the Vanceboro Club for over 40 years. She has served as president many times and for many years. We presented her a certificate for her outstanding service to our club. She retired as president at the end of 2015, but she is remaining as an active member. She was also recognized as our Member of the 2015 Year.

We gave ourselves a Valentine treat by meeting at Bojangles in Vanceboro for our February meeting. Phyllis McMillan did a motivational program which especially uplifted us as senior citizens. Her program brought forth the fact that we need a reason to live in order to live a happier life. Examples were given. It was suggested that if we don't have a bucket list of things that we would like to do in our old age, we should make one.

For our March meeting, we made "Boo Boo" Bunnies for the Ronald McDonald House in Greenville. The activity was under the direction of our crafts' leader, Faye Wetherington.

We took them to the Ronald McDonald House the following week. We also took some items that were on the House's wish list. We were given a tour and it was such a humbling experience to see what a wonderful facility we have for families with children needing medical care at Vidant Children's Hospital in Greenville. It is a home away from home. Finances are drained when there is sickness and this facility aids in making the situation more bearable.

Carteret County

On May 19th, seven Wildwood ECA Club members, along with four spouses, took a trip to Victory Junction to deliver 100 bears for their campers. We were shown a Uilm on how Victory Junction started and then treated to an excellent 1 1/2-hour tour led by the Chief Development OfUicer, Mark Schumacher.

Each year Victory Junction hosts children with all types of illnesses and disabilities. Each week, all children attending have the same disability, so they can get the specialized attention they need. At the end of their stay, children take home a bear and an afghan, along with happy memories.

Needless to say, we are already making plans to make more bears for this worthwhile cause.

The North Central District celebrated their annual meeting in Winston-Salem at the Extension OfUice on April 21. The theme of the meeting was Savor the Flavor. Polly Caudle, President, welcomed 163 members, Lois Williams led the Pledge of Allegiance and Doris Davis, gave the Inspirational message on “A woman and her Fork.”

Greetings came from Jim Cowden, North Central Cooperative Extension District Director, Mark Tucker, Forsyth County Extension Director, and Dr, Mike Yoder, Associate Director for4H/FCS, Updates were given by State ECA President, Fay Lanier. Wanda Denning (VP of NVON) gave a report on Eat Local/Eat Healthy.

Geri Bushel gave the program on “Branding FCS and Value of FCS” Passports and stickers were handed to the county presidents.

Carol Hart, Master Gardner in Forsyth County, gave a program on herbs entitled “Just Plain Common Scents”. She presented a Power Point on some of the herbs, and gave out recipes using herbs for Fruit and Spice Herbal Teas, Rosemary Walnuts, Peach Brandy Pound Cake with Lemon Verbena, and basic Pesto recipes and a recipe for MufUins using chives.

After the program, a tour of the herb garden at the Extension ofUice was given and they received an herb to plant at home.

Agents Jeannie Leonard and Sonya Patterson presented a Power Point of the First Place Winners of the Cultural Arts Contest.

After lunch, a business meeting was held and a short discussion was held on the State Meeting we are hosting in October.

Randolph County

Randolph ECA held a bear workshop on February 24 to make Beary Pals for Randolph Hospital. 25 bears were sent to the hospital to be distributed to both pediatric in patients and out patients. They are also made available to young children who become quite restless due to long waits in the emergency room area when accompanying a sick relative who is being treated. They have proven to be most comforting to the children, families, and nurses in this situation. We finished an additional 24 more bears and 25 more which are near completion. These are products of the day long workshop and will be held for a later delivery.

Rebecca Gray, who chaired Randolph County's Cultural Arts, is pictured with one of the three blue ribbons she won at the North Central District Day held on April 21 in Forsyth County. In all, 10 of the blue ribbons out of the 35 categories were won by Randolph County. Nineteen members and our agent were in attendance. Also pictured is Ruth Powell's blue ribbon Christmas decoration made from spools.

On May 3rd, Duplin County's ECA had their Uirst award program in years. Members gathered at Zeng's Palace in Clinton where they had a wonderful celebration to acknowledge their achievements over the last year. Amanda Hatcher, the County Extension Director, gave greetings to the members and thanked them for the hard work they have done, and always do, as a part of the Duplin County Cooperative Extension.

Mrs. Helen Rogers served as the ECA's guest speaker for the event. She spoke to the members about the value of volunteerism, not only to society but to the individual as well. Her speech resonated with many of the members, expressing the purpose in their service to the community.

The awards ceremony commenced after Mrs. Roger's speech. Awards were presented to the

past presidents, Doreatha Roberts and Theresa Bowles, thanking them for the time they put into serving for the ECA. Several of the volunteers were recognized for the hours they have spent in the community. In 2014, three members were awarded plaques at the ECA State Conference. Annie Pickett was awarded a plaque for putting in 10,000 hours of service, Delilah Gomes was awarded a plaque for 25,000 hours, and Ruby Brinson, the 2015 Outstanding Leader, was awarded the highest plaque for 35,000 hours of service. These members are still very active and continue to donate their time to the great work of the ECA.

There were several other awards categories to honor the members. These included the 2015 Outstanding Fundraiser, NC State Cultural Arts Winners, Committee Chairs, and, our president Pat Wilson's goal for the year, New Membership awards to Uive new members since January! These awards are small examples of what these ladies do throughout Duplin County and beyond. On behalf of the Duplin County Cooperative Extension, we thank them for their time and dedication to our community.

Gaston County

Gaston County ECA is proud to announce their 2016 Scholarship winners. Each recipient receive \$1000 scholarship. They are:

Harnett County

On February 25, 2016 a cool, Patricia McKoy, Progressive Club President, Rose Cotton-Ambassador Club President and Wendy Butcher- Rainbow Club President met at the home of Mrs. Juanita Hudson. The ladies delivered and presented rocks to Mrs.

Hudson. She had requested rocks from the ECA Club to place in her Rock Garden. Rocks were chosen for Liberty, Ambassador, Rainbow, Progressive, Harnett County ECA, and Harnett County 4-H, Harnett County Family and Consumer Science and Master Gardener.

These rocks were from

the land of Rose Cotton's husband who was gracious enough to donate. While at the home Mrs. Hudson was able to give a brief impromptu tour of her current Rock Garden and the history of her home place.

Lee County

ECA in Lee County has been busy participating in three community health fairs with their traveling exhibit, "Are You Drinking Candy?" Comparisons of the sugar gram of different drinks were emphasized. The nutrition wheel tested our basic nutrition knowledge. Shown at left is Lonny Douglas is a member of the Lemon Springs ECA Club.

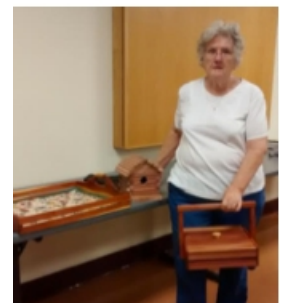

Eight members recently attended a tour of the Boys Homes in Cameron, NC. At left, Peggy Abshear and Betty McNeil are carrying donated school supplies collected during the May meeting of the Lemon Springs ECA Club.

Laverne Jackson and Valerie Johnson attended the Latino Health Festival with the nutrition exhibit on sugar also.

Rachel Kelly's family member crafted and donated several homemade items for District Day door prizes. They were beautiful and hard to choose which one would represent the county!

Lee County, continued

The Lee County Hearts & Hands ECA Quilt Guild continues to keep busy with our various projects. This year we have asked the members to bring food or paper products to each meeting. The Guild collects these items and gives them to our local food bank Christian United Out Reach Center of Lee County.

We all enjoyed participating in a baby shower for our members Ann and John Tomko who are expecting their Uirst baby in June.

We continue to bring blocks for our Block of the Month (BOM) program. Members are given a design for the month. One is a red white and blue block to be used for a Quilt of Valor (QOV) and another BOM block which goes into a drawing for a lucky member. Our President Paula Gloeckler was the lucky May member.

Catawba County

Catawba County ECA members hosted a program on Human Trafficking at the Catawba County Cooperative Extension Center on Monday, March 21, 2016. The speaker was Karen Birkedal. Catawba Angels
Pat Debois and Katie

In a world filled with tragedy and despair, the Catawba Angels are providing a little comfort for some in need. The goal of the Catawba Angels is to provide individuals and emergency responders with some comfort items to help ease the pain and despair associated with trauma or decline in health. Members of the Catawba Angels are gifted seamstresses, knitters, and quilters who join together once a month to make quilts, lap robes, beanie babies in sleeping bags, children's quilts, slippers, and they even use their leftover fabric scraps to fill beds for the animal shelter. The angels have just delivered 30 quilts to a local nursing facility so that each resident can have his own special quilt. Other recipients have been nursing homes in Catawba County, the Pregnancy Care Center, the Battered

Women's Shelter, Catawba County EMS and a few individuals. The ECA group meets on the fourth Monday of each month from 10:00a.m. to 2:00 p.m. at the Catawba County Agricultural Resources Center, 1175 S. Brady Avenue, Newton. They are a very active group and have eight members who sew each month. They have some volunteers who do their work at home and send their items to the Angels. Volunteers are always welcome and don't need to stay the whole time and can participate according to their schedules.

Cleveland County, continued

Cleveland County ECA partnered with the Foothills Farmers' Market in Shelby, to plan and carryout a special gardening activity on Saturday, May 21, 2016 as part of the Power of Produce (POP) Club. The POP Club, is a children's program that is nationally recognized (originated at the Oregon City Farmers Market) and now implemented at many farmers' markets across the country. The POP Club is funded by the market's community partner, the Healthcare Foundation of Cleveland County. POP helps children, ages 3-12, learn more about where their food comes from and encourages them to make healthy food choices.

Our ECA activity with the children was Plant Buddies or Companion Planting. We gave each POP Club member a locally grown tomato and marigold plant along with instructions on how to plant these 'buddy' plants. They also received information on what other plants make good companions and the "Life Cycle of a Green Bean." Each child made Tomato and Marigold name stakes to mark their plants when planted in their gardens. Over one hundred children participated in this POP Club activity.

In addition to the activity, each week POP Club members receive a \$2 token they can use at the market to purchase fresh produce or food-based plants. One mother shared her daughter's excitement when she planted her tomato and marigold plants in her very own garden! We'll look forward to hearing from other POP Club members throughout the summer about how their tomato and marigold plants are doing and about other 'Companion Plants' they have introduced into their gardens. Cleveland County ECA will return to the Market with another POP Club activity in July.

ECA members, Jean Ann Privett and Mary Sue Boyles, and FCS Agent, Nancy Abasiekong, conduct POP Club "Companion Plants" activity with children at the Foothills Farmers' Market in Shelby, NC, 5/21/16
